

Writing to Win

Don't Miss This

Wednesday, September 16
5-6pm
Wang Lecture Hall #1

An RSVP is not required but helpful for
planning purposes to:
sunyagep@notes.cc.sunysb.edu

*An informative workshop on how
to prepare a winning application
for the NSF Graduate Research
Fellowship that provides over
\$100,000 in funding over 3 years.*

*This event is brought to you by
the Center for Inclusive Education
and the Graduate School*

Did you know.....

- that the NSF allocation for GRFs increased by over 65% this year, dramatically increasing your odds of winning?
- that the fellowship is portable to wherever you go to pursue your graduate education?
- that Stony Brook University currently has 9 winners!
- that if you win the NSF GRF you can defer the Turner Fellowship or Graduate Council Fellowship and bank the funding for later?
- that this year's deadline is early November and it takes about 4-6 weeks to prepare a competitive application?
- that graduating seniors as well as graduate students in their first or second years can apply?
- that we have a group of winners and other resource panelists with intimate experience with the NSF GRF ready and willing to share their insights with you!!!

Before coming to this event, please check
your eligibility for the NSF GRF by visiting:
<http://www.fastlane.nsf.gov/grfp/>

A complementary presentation on the NSF GRF is available
for download on the Graduate School and AGEP Web sites at:
www.grad.sunysb.edu or www.stonybrook.edu/agep
