

EXHIBIT C

Equipment and Details

The screenshot displays the 'MP2 Work Orders' window in the 'Equipment and Details' view. The main workspace contains the following elements:

- Site:** UHPP
- WO No.:** 703391
- Description:** UH.L. 19 SO. RM. 140,000 COLD.[RS] 12:32
- Table:**

Equipment No.	Location	Sub-location 1 (Bldg)	Sub-lc	Sub-locatid	Equipment Description
...	BLDG	HOSPTL-401	19	019-140	
- Buttons:** 'Enter', 'Equipment', 'OR', 'Location', 'Get equipment spare parts', 'Get', 'Edit Equipment Variables'.
- Bottom Section:** 'Labor', 'Contractors', 'Parts', 'Comments', 'Meters'. A 'Copy' button is next to 'Copy comments to other equipment'.

Annotations in the image:

- Arrows point from the 'Equipment' and 'Location' buttons to the 'Equipment No.' and 'Location' columns of the table, respectively.
- A yellow box contains the text: "NOTE: If Equipment No. is entered, Location fields will be automatically populated."
- Another yellow box at the bottom contains the text: "Use COMMENTS to add any additional or helpful details not included in the Description field."
