RECYCLING QUESTIONS (?) : Contact 2-9297

UPON REQUEST, THIS INFORMATION IS AVAILABLE IN ALTERNATIVE FORMATS.

Corrugated Cardboard

WE ASK THAT YOU PLEASE ASSIST IN THE RECYCLING EFFORT BY BREAKING DOWN CORRUGATED CARDBOARD BOXES THAT ARE RECEIVED. YOUR PARTICIPATION WILL ENABLE THE UNIVERSITY'S CUSTODIAL STAFF TO PICK UP THE CARDBOARD AND TAKE IT TO A CENTRAL COLLECTION POINT WITHIN THE ADMINISTRATION BUILDING.

Corrugated Cardboard is the cardboard that has the wavy layer sandwiched in the middle.

Office Recyclable Paper Clean-Ups:

The Recycling Program will generally respond to these requests within 48 hours. This service is contingent on staff availability and program needs.

We ask that you please remove manila folders and then place the folders on top of the stack of recyclable paper. Hanging index folders are encouraged to be reused, however, if not, then dispose of them as trash. This will assist the recycling program.

Commingled Recyclables

Polyethylene Terephthalate: (i.e. plastic soda bottles)

High Density Polyethylene: (i.e. plastic milk jugs)

Aluminum cans

Green, Amber, and Clear Container Glass. No pyrex, or non-container glass.

Tin cans and bi-metal tin cans.

NOTES

- **Please rinse your cans and bottles**
- **Labels are okay**
- **No Styrofoam**
- **No lids or bottle caps**
- **No Plastic bags**
- **No Chemical or motor oil**
