Funding For Undergraduate Research - SUNY STEM Research Passport

February 25, 2015

The SUNY STEM Research Passport Program is soliciting applications from undergraduate students through its 2015 SUNY STEM Research Passport program announcement. The program will give talented SUNY undergraduates a paid summer research experience in a research laboratory during the summer of 2015 at SUNY campuses. Descriptions of the research experiences available for students to select from in this year’s program are included in the program announcement. Preference will be given to freshmen and sophomore students who are interested in exploring a career in the STEM fields.

STUDENT APPLICATIONS are due by 5:00 pm EST on Friday, March 20, 2015.

Please direct any questions you may have about this program to Angela Wright, The Research Foundation for SUNY, (518-434-7061), angela.wright@rfsuny.org.
