Welcome to Brookhaven Residential Village!
ABOUT STONY BROOK UNIVERSITY

From its beginnings a half-century ago, Stony Brook University has been characterized by innovation, energy and progress, transforming the lives of people who earn degrees, work and make groundbreaking discoveries here. A dramatic trajectory of growth has turned what was once a small teacher preparation college into an internationally recognized research institution that is changing the world.

Stony Brook’s reach extends from its 1,039-acre campus on Long Island’s North Shore encompassing the main academic areas, an 8,300-seat stadium and sports complex and Stony Brook Medicine to Stony Brook Manhattan, a Research and Development Park, four business incubators including one at Calverton, New York, and the Stony Brook Southampton campus on Long Island’s East End. Stony Brook also co-manages Brookhaven National Laboratory, joining Princeton, the University of Chicago, Stanford, and the University of California on the list of major institutions involved in a research collaboration with a national lab.

And Stony Brook is still growing. To the students, the scholars, the health professionals, the entrepreneurs and all the valued members who make up the vibrant Stony Brook community, this is not only a great local and national university, but one that is making an impact on a global scale.

BROOKHAVEN

The Brookhaven Residential Village (BRV) is located on Dowling’s College Brookhaven Campus. Just 18 miles east of West Campus (please refer to campus map), BRV is accessed through the Brookhaven Campus’ Main Gate, located on William Floyd Parkway.

Brookhaven Residential Village is a 191-bed facility, with an apartment-style atmosphere. It features a lobby, comfortable lounge area, game room, fitness center, elevators and a laundry room on each floor. The residence hall offers accommodations with double-occupancy rooms.
WHAT IS A “RESIDENT COMMUTER”? 

We refer to our students as “Resident Commuters” due to their unique situation of living in university housing and commuting for classes. BRV’s Resident Commuters utilize a combination of Stony Brook University and Dowling College resources in order to meet their day-to-day needs. Nonetheless, students are subject to both SBU and Dowling College Terms of Occupancy.

For Dowling College’s Terms of Occupancy, please click here and for Stony Brook’s Rules and Regulations, please follow this link.

For more information, please visit our website: www.stonybrook.edu/brookhaven (continually updated)

Your Success is Important to us!

It is highly recommended that Brookhaven Resident Commuters register for ADV 101, a 1 credit course, which introduces campus resources, connect students with others going through a similar transition, and boosts your student success at Stony Book.

SAFETY FIRST

In an attempt to maintain safe, secure Residence Halls, the Residence Life Office has established certain policies and procedures. However, these measures are successful only when everyone works together, follows them, and enforces them. Creating a safer Residence Hall and community requires your active participation. Ultimately, your safety depends on you. Here are several simple steps which you can take to help protect yourself, your valuables, and your neighbors:

◊ Lock your doors when you leave your room or go to sleep.
◊ Do not prop doors or tamper with the locks on the building or room doors.
◊ Protect your property by engraving your name on valuables. • Always leave your valuables in your safe.
◊ Document the serial numbers of electronics and other valuables.
◊ Student Property Coverage is encouraged to help protect your belongings.
◊ Report safety concerns and crimes to the Campus Safety Office and/or the Residence Life Office.

Please note, Suffolk County Police, Shirley Fire Department and Shirley / Mastic Ambulance Corps all provide service to and respond to the campus.

Residential Safety Program and Walk Service—Main Campus

Volunteers with the Residential Safety Program (RSP) are available to escort students to BRV Bus stop or anywhere on the SBU Campus. Please note this service ONLY operates on main campus. You can request an escort by calling 2-WALK (9255) from any campus phone, or (631) 632-WALK from a non-campus phone. RSP phone lines are active 24/7.

Personal Property

The University is not liable for any damages related to personal items that may be caused by: water damage, electronic-based crime, identity crime, theft, flood, fire, smoke, electrical damage caused by another student and damage caused by all facility based equipment. It is advised that residents check with their homeowners insurance for coverage or purchase renters insurance.

For more resources, please visit the Stony Brook Residential Risk Management website.
We’re very proud of our outstanding safety record here at Stony Brook, made possible by the dedication of many hard-working professionals across the campus and the vigilance and awareness of all students, faculty and staff to keep us safe.

**Health and Safety at Brookhaven**

A Campus Safety Officer will be on duty at the entrance to the residence hall 24/7. Only individuals with proper ID are permitted into the buildings. Security cameras are situated throughout the residence hall and the exterior doors are accessible only by electronic access cards.

**University Police (UPD) at Stony Brook**

University Police is the primary law enforcement authority for the Stony Brook campus and is a fully functioning and accredited law enforcement agency. UPD secures the north and south gates of the main campus during the hours of 11 p.m.-6 a.m. Individuals who wish to enter campus with a vehicle during those hours must enter through the main gate and present an SBU ID card.
The residence hall will be staffed by one or more full-time professional staff members and by several resident assistants (student staff). Staff will provide emergency coverage Monday to Friday, from 5pm - 9am and 24/7 on weekends. They will be available weekdays in their offices between 9 am and 5 pm. Please note, staffing of the facility is shared between Stony Brook and Dowling staff.

**Student Life Specialist**

The Student Life Specialist is responsible for the general administration of residence hall or apartment complex housing up to 500 students.

**Student Life Assistant**

The Student Life Assistant is a part-time graduate student who assists the Student Life Specialist in supervision of Resident Assistants, promoting healthy living, and building community within the residential facility.

**Resident Assistant**

Resident Assistants (RAs) are paraprofessional staff members who report directly to a Student Life Specialist. In addition to creating and supporting excellent programming on campus, RAs are effective administrators, caring mentors, thoughtful academic and personal health resources and fair policy enforcers.

**“Resident” Commuter Assistant**

The Commuter Assistant Program pairs incoming “resident” commuter students with "seasoned" student leaders who volunteer their time to provide support, advice, and camaraderie during the new students' first year. CA’s work hard to ensure that resident commuters adjust to life at Stony Brook University and have positive and constructive college experiences.

For more information on how to request a CA, please visit: [http://studentaffairs.stonybrook.edu/css/](http://studentaffairs.stonybrook.edu/css/)

TRADITIONS

The Red Zone

Go Seawolves! As a Division I school, Stony Brook has won 49 conference championships, received 28 national postseason bids, had three teams finish in the top 10 in the nation, and had one individual win a national championship in track & field (Lucy Van Dalen). Community members get in on the action by joining the Spirit of Stony Brook Marching Band, Seawolves Pep Band, Color Guard, Winter Guard, or Drumline and Spirit Squad in cheering on our teams.

Homecoming

Stony Brook University hosts Wolfstock—our annual Homecoming celebration—with activities designed for alumni, students, faculty, staff, and their families, as well as for the extended Stony Brook family of community members, neighbors, and civic organizations.

Earthstock

In April around Earth Day, Stony Brook’s Earthstock celebration features exhibits, displays, lectures, and concerts to promote and support environment-friendly living. Events include dance and drumming performances; the Ashley Schiff Preserve Guided Walk; live musical performances; an ice cream social; lectures on conservation; rubber duck races; the URECA Environmental Exhibition of Student Research; local farmer’s market on the Academic Mall; and Pride Patrol, a campus-wide beautification project.

Roth Regatta

Here’s a genuinely unique Stony Brook tradition dating from 1987: On the last Friday of April, teams representing clubs, organizations, and administrative offices race across bucolic Roth Pond in makeshift craft constructed only of cardboard, duct tape, and paint. Students, faculty, and staff are all invited to compete and trophies are awarded to the winners. Nobody stays dry.

Strawberry Fest & Diversity Day

We gather on the Academic Mall every spring to enjoy a mouthwatering menu of strawberry treats and a fun-filled day of live music, dancing, and student performances. This event is traditionally held in conjunction with Diversity Day when we share the many dimensions of our different heritages and lifestyles through creative arts, lectures, and cultural offerings.
ISSUES IN YOUR APARTMENT

Maintenance Concerns

Facilities is responsible for the basic operation and maintenance of the physical facilities in the Residence Halls. For this reason, only those persons authorized by the Residence Life Office and/or Facilities are permitted to repair Residence Hall furnishings and equipment (i.e., removal of doors, fixing wall damage, etc.). Students who require assistance or would like to report an emergency should do so through the Dowling College Work Request Form available at stonybrook.edu/brookhaven.

Roommate/Suitemate Conflicts

You should sit down with your roommate/suitemate and talk about any issues you may have. If you’d like to request a third party to mediate any potential conflicts, feel free to reach out to your Student Life Specialist.

Room Changes

It is hoped that you and your assigned roommate will be compatible. You are expected to remain in the room to which you are assigned and are encouraged to try to work differences out before requesting a room change. Your RA will be there to assist both you and your roommate in establishing guidelines and boundaries for your room. Nonetheless, room change requests must be made through the Student Life Specialist and can only be within Brookhaven Residential Village. Please note that during the first two weeks of each semester, a room freeze restricts any room changes.
