Take-Out at Dine-In Just Got Better

HOW TO TAKE-OUT AT DINE-IN

1. When swiping into Dine-In, request a Take-Out meal.
2. You will receive a drink cup/lid and one disposable clamshell container.
3. The receipt will remain with the cashier as you choose your meal and drink.
4. The container must be able to close. No other food or drink can be removed.
5. When you leave, you will pick up your receipt.
6. Enjoy your meal!

Take-out is offered to students who either do not have time to sit and enjoy a meal at Dine-In or those who wish to take their food to go.
