CHEMISTRY RESEARCH DAY
A Celebration of Chemical Research
www.stonybrook.edu/chemistry
Friday, October 23, 2015
Student Activities Center
Stony Brook University

Program:

Ballroom A
Poster Session I
(Even-numbered posters)
11:00 am - 12:30 pm

Ballroom B
Participant Luncheon
12:30 - 1:30 pm

Ballroom A
Poster Session II
(Odd-numbered posters)
1:30 - 3:00 pm

Why Lobby
Reception
3:00 - 3:15 pm

Auditorium
Keynote Lecture
3:15 - 4:45 pm

Chemistry Building
Lobby
Celebration!
5:00 - 7:00 pm

Jiangyong Jia
Associate Professor, Department of Chemistry, Stony Brook University;
Physicist, Physics Department, Brookhaven National Laboratory

The Chemistry of the Quark-Gluon Plasma — A
Primordial Liquid That Existed in the Very Early Universe
