CIE October 2011 eNews

EVENTS AT THE CENTER FOR INCLUSIVE EDUCATION AND AROUND CAMPUS

- **Hispanic Heritage Month Faculty Forum at the Center for Inclusive Education**
  Join us on October 18th at 12:30 PM in the Center for Inclusive Education as we welcome several Latino/a faculty members of Stony Brook University to share the stories of their roads to the Professoriate. RSVP to CIE_GraduateSchool@stonybrook.edu. An official flyer will be sent via email next week.

- **October Research Café with Noel Carrascal, Applied Mathematics and Statistics**
  The CIE will host our October Research Café on Wednesday, October 6 at 12:30 PM in the CIE. Our presenter is Noel Carrascal, Ph.D. Candidate in the department of Applied Mathematics and Statistics. RSVP to CIE_GraduateSchool@stonybrook.edu if you plan to attend.

- **Help Recruit with Center for Inclusive Education**
  The CIE is still looking for students to serve as part of our recruitment teams at upcoming national conferences including ABRCMS, SACNAS, and the ERN Conference in Stem. Interested students should email Toni Sperzel at toni.sperzel@stonybrook.edu immediately for more information.

- **Provost’s Lecture Series: Dr. Luis H. Zayas, “Understanding Why Latinas Attempt Suicide”**
  Monday, October 10 at 4pm in the Wang Center Theater

- **IMB Centennial Lecture** on October 6 at 2:30pm in the Wang Center Theater

- **Graduate Mentor Program**
  Become a mentor for a Stony Brook undergraduate student. The first workshop of the program will be on October 12, 2011 at 12:50-2:10pm in SAC Ballroom A. To participate, email aearl@notes.cc.sunysb.edu.

- **Upcoming TLT Faculty Center Workshops**: 10/5: Encourage Student Involvement & Participation with Mid-Semester Focus Groups; 10/12: Learning Styles: Myth or Reality?; 10/19: Constructing & Connecting Student Learning in Capstone Projects: Using ePortfolios to Document the Capstone Project; 10/26: Using Google Docs and ePortfolios to Guide the Student Learning Process. For more information about these and other events, visit: https://tlt.stonybrook.edu/FacultyServices/Events/Pages/On-campusCalendar.aspx

- **Help us Grow our Fan Page**
  Become a fan of the CIE page on Facebook and help us grow our numbers to 100! The CIE fan page is the only place you can see photos from our events and get the most up to date announcements of upcoming center events. https://www.facebook.com/StonyBrookCIE

CONFERENCES, FORUMS, AND NETWORKING OPPORTUNITIES

- **2nd Annual Meeting of the Minds Symposium**
  This symposium brings together leaders in the field of neurosciences to share the latest advances in state-of-the-art care and research within the disciplines of epilepsy and sleep disorders, pediatric neurosurgery, neuroimaging, neurosensory disorders, and psychiatric disorders. November 4, 8:30am-4:30pm. To register and/or for poster applications and instructions visit: StonyBrookNeurosciences.org/meetingoftheminds or call 631-444-9975.

- **Save the Date: What can you be with a Ph.D.?**
  November 5-6, 2011. Hosted by NYULMC and sponsored by a consortium of NYC regional partners. Science & Technology Career Symposium. For more information visit www.whatcanyoubewithaphd.net

- **The Dupont Summit 2011: Science, Technology & Environmental Policy: Pressing Issues, Little Time**
  The summit will be held on December 2, 2011 at the Carnegie Institution for Science in Washington, D.C. The purpose of the Dupont Summit is to promote dialogue about the pressing policy issues related to science, technology and the environment. The deadline for proposals is November 10. For more information, visit: http://www.ipsonet.org/web/page/570/sectionid/375/pagelevel/2/interior.asp

CIE October 2011 eNews; 1
http://www.stonybrook.edu/cie/
• **2012 AAAS Emerging Researchers National Conference in STEM (ERN)** February 23-25, 2012 Atlanta, GA CREST, HBCU-UP, LSAMP Bridge to the Doctorate, RDE, and TCUP students are encouraged to submit abstracts (due 10/21). More information can be found at [http://www.emerging-researchers.org/](http://www.emerging-researchers.org/). The Center for Inclusive Education will be recruiting at this event. Students interested in participating in the recruitment effort should contact Toni Sperzel at toni.sperzel@stonybrook.edu

• **University of Michigan Engineering Graduate Symposium**
  November 11, 2011. [www.engin.umich.edu/gradsymposium](http://www.engin.umich.edu/gradsymposium). Travel grants available by application.

• **International Conference on Diversity in Organisations, Communities, and Nations, University of British Columbia**, Vancouver, Canada – June 11-13, 2012. This conference examines the concept of diversity as a positive aspect of a global world and globalised society. For more information, visit: [http://ondiversity.com/conference-2012/](http://ondiversity.com/conference-2012/)

• **Volunteer Opportunities with eCYBERMISSION**
eCYBERMISSION is a free, web-based, Science, Technology, Engineering and Mathematics (STEM) competition for students in grades six through nine. Volunteer opportunities are available to serve as Team Advisors, Ambassadors, Cyberguides and Virtual Judges. The Competition encourages students from a diverse range of proficiency levels and backgrounds to develop real life applications of STEM education for positive impact on their communities and their future. Information about the program and signing up to volunteer can be found at [www.ecybermission.com](http://www.ecybermission.com). Contact the Volunteer Program at 1-866-GO-CYBER (462-9237) or via email at volunteerprogram@ecybermission.com

**FELLOWSHIPS, SCHOLARSHIPS AND CAREER (INCLUDING POST DOCS)**

• **A comprehensive list of fellowships** is available on the CIE Website at [http://www.stonybrook.edu/cie/For%20Students/fellowship.shtml](http://www.stonybrook.edu/cie/For%20Students/fellowship.shtml)

• **AERA Fellowship and Grant Opportunities**
The American Educational Research Association offers a variety of fellowship programs and funding opportunities for graduate students and early career scholars. Deadlines fall in early December. For complete program descriptions and application information, visit [http://www.aera.net/fellowships.htm](http://www.aera.net/fellowships.htm)

• **NSF East Asia and Pacific Summer Institutes for U.S. Graduate Students – 2012 application now open**
  This international fellowship program seeks to develop the next generation of globally engaged U.S. scientists and engineers knowledgeable about the Asia and Pacific regions. Applications are due November 9, 2011. Application instructions are available online at [www.nsfsi.org](http://www.nsfsi.org). For further information concerning benefits, eligibility, and tips on applying, applicants are encouraged to visit [www.nsf.gov/eapsi](http://www.nsf.gov/eapsi) or [www.nsfsi.org](http://www.nsfsi.org).

• **NSF SEES Postdoctoral Fellowship program**

• **Burroughs Wellcome Fund Collaborative Research Travel Grants**
  This award supports Ph.D. candidates, postdoctoral fellows, and faculty researchers traveling to laboratories domestically or internationally to acquire new research techniques, facilitate or begin collaborations, or attend courses. Applications are due December 1, 2011. For more information, go to: [http://www.bwfund.org/pages/481/Collaborative-Research-Travel-Grants/](http://www.bwfund.org/pages/481/Collaborative-Research-Travel-Grants/)

• **Dartmouth College Chavez/Eastman/Marshall Dissertation Fellowships**
  The goal of the fellowship program, is to promote student and faculty diversity at Dartmouth, and throughout higher education, by supporting completion of the doctorate by underrepresented minority scholars (including African-American, Latina/o, and Native American scholars) and other graduate scholars with a demonstrated commitment and ability to advance education diversity. Applications are due February 1. For more information, visit: [http://graduate.dartmouth.edu/funding/fellowships/](http://graduate.dartmouth.edu/funding/fellowships/)

• **Dartmouth College Neukom Fellowship**
  Neukom Fellows are designed as explicitly interdisciplinary positions for recent Ph.D.s whose research interests cut across traditional disciplinary boundaries, but have some computational component. Applications are due December 1, 2011. For more information, visit: [http://www.dartmouth.edu/~neukom/programs/postdoc-fellows.html](http://www.dartmouth.edu/~neukom/programs/postdoc-fellows.html)

• **AAAS Science & Technology Policy Fellowships**

**CIE October** 2011 eNews; 2
[http://www.stonybrook.edu/cie/](http://www.stonybrook.edu/cie/)
Deadline is December 15, 2011, 5:00 PM EST. For more information visit: http://fellowships.aaas.org/02_Areas/02_index.shtml?elq=52f888e4a5a445269c9709e52d1ae7d1. Placement opportunities are available in congressional offices and 15 executive branch agencies.

- **Sustainable Solutions Initiative Postdoctoral Fellows Program**
  SSI's innovative research program integrates coupled natural and human systems modeling, stakeholder engagement, and solutions-oriented research activities. Organized under a theme of landscape change, SSI supports multiple research projects focused on urbanization, forest ecosystem management, and climate/energy challenges. Collectively, these projects speak to various sustainability science challenges and present a unique opportunity to advance the field of sustainability science. For more details on SSI, visit: [http://www.umaine.edu/sustainabilitysolutions/](http://www.umaine.edu/sustainabilitysolutions/)

- **UCLA Post Doctoral Program in Global Health**
  Division of Infectious Diseases at the UCLA Department of Medicine has a program called “The UCLA Program in Global Health”. It has the Postdoctoral Fellowship Training Program in Global HIV/AIDS Prevention Research. Please see the details in this website: [http://globalhealth.med.ucla.edu/programs/fellowship.html](http://globalhealth.med.ucla.edu/programs/fellowship.html) Application deadline: December 31, 2011

- **Ford Foundation Fellowship Programs**
  Starting September 1, 2011 applications will be accepted for the 2012 Ford Fellowships Program. Full eligibility information and online applications are available at [http://pull.xmr3.com/p/1718-C1DB/48667875/text001-nationalacademies.org-ford.html](http://pull.xmr3.com/p/1718-C1DB/48667875/text001-nationalacademies.org-ford.html) Applications are due November 17, 2011.

- **SBE Doctoral Dissertation Research Improvement Grants (SBE DDRIG)**

- **Doctoral Dissertation Improvement Grants in the Directorate for Biological Sciences (DDIG)**

- **Postdoctoral Research Fellowships in Biology (PRFB) from the Directorate for Biological Sciences (BIO)**
  These research and training fellowships encourage independence at an early stage of the research career and are also designed to provide active mentoring of the Fellows. International and teaching options are also offered. Proposals due October 11, 2011. More info: [http://www.nsf.gov/pubs/2010/nsf10587/nsf10587.htm](http://www.nsf.gov/pubs/2010/nsf10587/nsf10587.htm)

- **SBE Minority Postdoctoral Research Fellowships and Follow-up Research Starter Grants (MPRF)**

- **Postdoctoral Fellowships in Polar Regions Research**

- **Cold Spring Harbor Laboratory - Faculty and Postdoctoral positions available in a number of fields.**
  For more information, visit [http://www.cshl.edu/Careers](http://www.cshl.edu/Careers)

- **Temple University School of Medicine Postdoctoral Position in cardiovascular inflammation**
  Postdoctoral position funded by NIH is open to study signaling regulation pathways involving in the vascular inflammation, pathogenesis of atherosclerosis and type II diabetes. Candidates who have PhD, strong background and publications in cardiovascular inflammation, microRNAs, cytokine/cytokine receptor assays, molecular biology and immunology are encouraged to apply. Full information description is available on the CIE website attached to the October E-newsletter.

- **University of New Hampshire Contract Lecturer in Sustainable Agriculture and Food Systems**
  Applications are due October 15, 2011. Complete information available at colsa.unh.edu/employment

- **Cornell University Department of Design and Environmental Analysis**
  For more information see [http://www.human.cornell.edu/dea/](http://www.human.cornell.edu/dea/). PhD in Interior Design, Architecture (and related design fields), Psychology (environmental), Urban Planning and Facility Management, or a related field, preferred.
• UCLA Program in Global Health Postdoctoral Fellowship Training Program. HIV/AIDS presentation research. Candidates with a Ph.D. is social/behavioral science, public health, public policy, Nursing, Business, Law or other related fields are sought. Fellowship start date is July 1, 2012. Applications are due December 31, 2011. To apply, visit http://globalhealth.med.ucla.edu/programs/fellowship.html

• Ohio State University Department of Evolution, Ecology and Organismal Biology. Tenure Track Assistant Professor Position in Evolutionary/Ecological Genomics. Position closing date is October 12, 2011. Potential candidates should contact Dr. H. Lisle Gibbs for more information at gibbs.128@osu.edu. Full job description appeared in Science and Nature last month

• Iowa State University Department of Chemical and Biological Engineering is soliciting applications for two tenure-track faculty positions, one in chemical catalysis and one in biocatalysis, at the Assistant, Associate or Full Professor level. Qualified applicants for either position should visit www.iastatejobs.com to submit an application by 1/1/12. Position descriptions are available on the CIE website attached to the October E-newsletter.

• University of Montana, Missoula is seeking a Director for their Native American Research Laboratory. Applicants should have an earned doctorate in a physical or natural science based discipline. For additional information on job duties and application information, please go to job announcement: http://bit.ly/oV5N67

• Wesleyan University African American Studies Program, Tenured Associate or Full Professor Applicants should have a Ph.D. in Political Science, Sociology, or African American Studies, and demonstrated excellence in teaching or research. Contact Joan Chiari (jchiari@wesleyan.edu) for more information.

• University of Colorado Boulder Department of Electrical, Computer, and Energy Engineering is seeking outstanding candidates for three tenure-track positions. Two positions will be in computer systems and one in the broad area of energy engineering. Evaluation of applications will begin December 6. For more information and to apply, visit: www.jobsatcu.com/applicants/Central?quickFind=66369 (for Computer positions) or www.jobsatcu.com/applicants/Central?quickFind=66464 (for Energy position).

• Brooklyn College of CUNY is seeking two new tenure-track faculty members for Fall, 2012 in the Biology Department, one as an Assistant Professor in Prokaryotic Microbiology and the other as an Assistant Professor, Associate Professor, or Professor whose research should include systematic and molecular approaches in ecology, environmental biology, evolution, or related areas. Review of applications will begin November 1. Please see: http://www.brooklyn.cuny.edu/pub/departments/hr/462.htm

• Wesleyan University Department of Sociology, Tenure Track Assistant Professor Research and teaching expertise in the fields of either economic sociology or criminology/incarceration/law & society desirable. Contact Sharon Smith (sasmith@wesleyan.edu) for more information.
