EVENTS AT THE CENTER FOR INCLUSIVE EDUCATION AND AROUND CAMPUS

- **Center for Inclusive Education September Social and UREP Post Doc Recognition**
  Join us on Tuesday, September 20 at 12:30 PM in the Center for Inclusive Education for our September Social in recognition on National Post Doctoral Appreciation Week. RSVP to CIE_graduateschool@stonybrook.edu if you will attend.

- **Writing to Win Workshop at the Wang Center**
  A formal, campus wide information session for any graduate student interested in applying for a national fellowship such as the NSF GRFP. This panel session will be run and lead by Nina Maung-Gaona, Assistant Dean for Diversity on Monday, September 19 at 4:00pm at the Charles B. Wang Center, Lecture Hall #1. This workshop will provide a general overview of how to prepare a winning fellowship application and what the process involves.

- **September Research Café with Lori Gallegos de Castillo**
  Join us in the CIE on September 26 at 12:30 at Turner Fellow Lori Gallegos de Castillo from the department of Philosophy presents her research talk, “Autonomous Endorsement and the Sources of Normativity.” Lori will be our first presenter in the 2011-2012 CIE Research Café series.

- **Save the Date: W. Burghardt Turner Fellowship Welcome Dinner**
  October 5, 2011 at the Three Village Inn. Official Invitations will be sent this week.

- **Help Recruit with Center for Inclusive Education**
  The CIE seeks students to volunteer to serve as part of our recruitment teams at upcoming national conferences including ABRCMS, SACNAS, and the ERN Conference in Stem. Interested students should email Toni Sperzel at toni.sperzel@stonybrook.edu

- **Hispanic Heritage Month Opening Ceremony**
  Wednesday, September 14, 12:45-2:00 PM, Student Activities Center Auditorium. Visit www.stonybrook.edu/sb/hhm for more information.

- **French Speaking Transcribers sought for hire**
  Professor Crystal Fleming in the Department of Sociology is hiring 1-2 transcribers to assist with transcription of interviews conducted in France. The work is flexible and can be done from anywhere with an internet connection. Transcribers will be paid between $10-$12 per hour, depending on experience. Candidates must be fluent in French (native speakers). The research project is related to post-colonial black and Afro-Caribbean identities in France. If you are interested, or know someone who might be, please contact Prof. Fleming directly at Crystal.Fleming@stonybrook.edu by September 15th 2011

- **Help us Grow our Fan Page**
  Become a fan of the CIE page on Facebook and help us grow our numbers to 100! The CIE fan page is the only place you can see photos from our events and get the most up to date announcements of upcoming center events. https://www.facebook.com/StonyBrookCIE

CONFERENCES, FORUMS, AND NETWORKING OPPORTUNITIES

- **Save the Date: What can you be with a Ph.D.?**
  November 5-6, 2011. Hosted by NYULMC and sponsored by a consortium of NYC regional partners. Science & Technology Career Symposium. For more information visit www.whatcanyoubewithaphd.net

- **2012 AAAS Emerging Researchers National Conference in STEM (ERN) February 23-25, 2012 Atlanta, GA**
  CREST, HBCU-UP, LSAMP Bridge to the Doctorate, RDE, and TCUP students are encouraged to submit abstracts. More information can be found at http://www.emerging-researchers.org/. The Center for Inclusive Education will be
recruiting at this event. Students interested in participating in the recruitment effort should contact Toni Sperzel at toni.sperzel@stonybrook.edu

- **AAHE 2012 Outstanding Thesis Competition**
  Deadline for Submission is September 30, 2011. Competition is open to any Hispanic student who has completed a thesis focusing on Food and the Agricultural Sciences in domains related to USDA priority areas in Food Safety, Climate Change, Sustainable Energy and Childhood Obesity. Winners will receive sponsored attendance at the AAHHE National Conference and a cash prize. For more information visit [www.aahhe.org](http://www.aahhe.org)

- **University of Michigan Engineering Graduate Symposium**
  November 11, 2011. [www.engin.umich.edu/gradsymposium](http://www.engin.umich.edu/gradsymposium). Travel grants available by application.

- **Volunteer Opportunities with eCYBERMISSION**
  eCYBERMISSION is a free, web-based, Science, Technology, Engineering and Mathematics (STEM) competition for students in grades six through nine. Volunteer opportunities are available to serve as Team Advisors, Ambassadors, Cyberguides and Virtual Judges. The Competition encourages students from a diverse range of proficiency levels and backgrounds to develop real life applications of STEM education for positive impact on their communities and their future. Information about the program and signing up to volunteer can be found at [www.ecybermission.com](http://www.ecybermission.com). Contact the Volunteer Program at 1-866-GO-CYBER (462-9237) or via email at volunteerprogram@ecybermission.com

**FELLOWSHIPS, SCHOLARSHIPS AND CAREER (INCLUDING POST DOCS)**

- **A comprehensive list of fellowships** is available on the CIE Website at [http://www.stonybrook.edu/cie/For%20Students/fellowship.shtml](http://www.stonybrook.edu/cie/For%20Students/fellowship.shtml)

- **NSF SEES Postdoctoral Fellowship program**

- **AAAS Science & Technology Policy Fellowships**
  Deadline is December 15, 2011, 5:00 PM EST. For more information visit: [http://fellowships.aaas.org/02_Areas/02_index.shtml?elq=52f888e4a5a445269c9709e52d1ae7d1](http://fellowships.aaas.org/02_Areas/02_index.shtml?elq=52f888e4a5a445269c9709e52d1ae7d1). Placement opportunities are available in congressional offices and 15 executive branch agencies.

- **Sustainable Solutions Initiative Postdoctoral Fellows Program**
  SSI's innovative research program integrates coupled natural and human systems modeling, stakeholder engagement, and solutions-oriented research activities. Organized under a theme of landscape change, SSI supports multiple research projects focused on urbanization, forest ecosystem management, and climate/energy challenges. Collectively, these projects speak to various sustainability science challenges and present a unique opportunity to advance the field of sustainability science. For more details on SSI, visit: [http://www.umaine.edu/sustainabilitysolutions/](http://www.umaine.edu/sustainabilitysolutions/)

- **UCLA Post Doctoral Program in Global Health**
  Division of Infectious Diseases at the UCLA Department of Medicine has a program called "The UCLA Program in Global Health". It has the Postdoctoral Fellowship Training Program in Global HIV/AIDS Prevention Research. Please see the details in this website: [http://globalhealth.med.ucla.edu/programs/fellowship.html](http://globalhealth.med.ucla.edu/programs/fellowship.html)

- **Ford Foundation Fellowship Programs**
  Starting September 1, 2011 applications will be accepted for the 2012 Ford Fellowships Program. Full eligibility information and online applications are available at [http://pull.xmr3.com/p/1718-C1DB/48667875/text001-nationalacademies.org-ford.html](http://pull.xmr3.com/p/1718-C1DB/48667875/text001-nationalacademies.org-ford.html)

- **SBE Doctoral Dissertation Research Improvement Grants (SBE DDRIG)**

- **Christine Mirzayan Science and Technology Policy Graduate Fellowship Program (The National Academies)**
  Deadline for applications is October 1, 2011. Please visit <www.national-academies.org/policyfellows> for eligibility criteria, application instructions, and access to the online application and reference forms.

- **Doctoral Dissertation Improvement Grants in the Directorate for Biological Sciences (DDIG)**
The NSF awards Doctoral Dissertation Improvement Grants in selected areas of the biological sciences. These grants provide partial support of doctoral dissertation research to improve the overall quality of research. More info: http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5234

- **Postdoctoral Research Fellowships in Biology (PRFB) from the Directorate for Biological Sciences (BIO)**
  These research and training fellowships encourage independence at an early stage of the research career and are also designed to provide active mentoring of the Fellows. International and teaching options are also offered. More info: http://www.nsf.gov/pubs/2010/nsf10587/nsf10587.htm

- **SBE Minority Postdoctoral Research Fellowships and Follow-up Research Starter Grants (MPRF)**

- **Postdoctoral Fellowships in Polar Regions Research**
  The program supports training and research for recent doctoral degree recipients in any aspect of scientific study of the Antarctic and/or the Arctic within the Office of Polar Programs (OPP) program areas. More info: http://www.nsf.gov/pubs/2009/nsf09612/nsf09612.txt

- **Presidential Management Fellow (PMF)**
  The PMF Program fosters a lasting bond as well as a spirit of public service, ultimately encouraging and leading to a career in the government. More info: http://www.pmf.gov/become-a-pmf/eligibility.aspx

- **Iowa State University faculty positions in Chemical and Biological Engineering**
  Tenure track positions in chemical catalysis and biocatalysis. Applications must be submitted electronically to vacancy 110556 (https://www.iastatejobs.com/applicants/jsp/shared/position/JobDetails_css.jsp?postingId=373635). If you have questions regarding this vacancy, please contact Professor Charles Glatz (cglatz@iastate.edu, 515-294-8472).

- **University of Maine Postdoctoral position in Forest Soils/Ecosystem Ecology**
  Review of applications will begin September 15, 2011. One year appointment. The successful candidate must have an earned Ph.D. in forest soils, ecology, biogeochemistry, or related discipline. A full description of the position is available as an attachment to the E-newsletter on the CIE website.

- **University of Maine faculty position in Child Clinical Psychology**
  Tenure track appointment to begin September 1, 2012. Preference will be given to applicants with research specializations in cognitive assessment, developmental psychopathology. Full description and information is available through the September E-newsletter on the CIE website.

- **Temple University School of Medicine Postdoctoral Position in cardiovascular inflammation**
  Postdoctoral position funded by NIH is open to study signaling regulation pathways involving in the vascular inflammation, pathogenesis of atherosclerosis and type II diabetes. Candidates who have PhD, strong background and publications in cardiovascular inflammation, microRNAs, cytokine/cytokine receptor assays, molecular biology and immunology are encouraged to apply. Full information description is available on the CIE website attached to the September E-newsletter.

- **University of New Hampshire Contract Lecturer in Sustainable Agriculture and Food Systems**
  Applications are due October 15, 2011. Complete information available at colsa.unh.edu/employment

- **Cornell University Department of Design and Environmental Analysis**
  For more information see http://www.human.cornell.edu/dea/. PhD in Interior Design, Architecture (and related design fields), Psychology (environmental), Urban Planning and Facility Management, or a related field, preferred.

- **UCLA Program in Global Health Postdoctoral Fellowship Training Program. HIV/AIDS presentation research.**
  Candidates with a Ph.D. is social/behavioral science, public health, public policy, Nursing, Business, Law or other related fields are sought. Fellowship start date is July 1, 2012. Applications are due December 31, 2011. To apply, visit http://globalhealth.med.ucla.edu/programs/fellowship.html

- **Ohio State University Department of Evolution, Ecology and Organismal Biology. Tenure Track Assistant Professor Position in Evolutionary/Ecological Genomics. Position closing date is October 12, 2011. Potential candidates should...
contact Dr. H. Lisle Gibbs for more information at gibbs.128@osu.edu. Full job description will appear in Science and Nature this month.
