The 2015 NURSE Corps Loan Repayment Program application cycle is now open and will close on February 26, 2015 at 7:30 p.m. Eastern Time (ET).

This Program helps address the shortage and distribution imbalance of nurses across the country by offering loan repayment assistance to registered nurses and advance practice nurses, such as nurse practitioners, working at health care facilities and nurse faculty employed at accredited schools of nursing.

The 2015 application cycle is expected to be very competitive. Applicants are encouraged to apply early. This year the process may improve for applicants, now that some loan information can be automatically populated by the National Student Loan Data System.

Available resources include the Application and Program Guidance, Application Checklist and the NURSE Corps Loan Repayment Application and Program Guidelines Webinar.
