Dissent!
Currents & Counter-Currents
Lectures, Conference and Symposia for 2017-2018
at the Humanities Institute at Stony Brook

How do the highly visible currents of dissent in our body politic—whether left or right, from above and below—impact our intellectual endeavors? Is history just repeating itself in the turn of the pendulum, or are we in a fundamentally new set of structures of dominance? And how can our scholarship help us to visualize and comprehend a way forward?
