Dear New York State Science & Engineering Fair (NYSSEF) Judge,

On behalf of New York State Science and Engineering Fair Board of Trustees and our hosts, the New York Hall of Science (NYSCI), I would like to cordially invite you to help us support young scientists by serving as a judge at NYSSEF 2016. A statewide Intel ISEF affiliated fair, NYSSEF will showcase approximately 600 students from across New York State on Monday, March 21, 2016. Top students will go on to represent New York at the Intel International Science and Engineering Fair to be held in Phoenix, Arizona in May 2016.

We request that judges arrive at NYSCI (New York Hall of Science) by 8:15 AM for a light breakfast and we will begin judging orientation at 8:30 AM on March 21st. Upon completion of judging, lunch will be served. Additionally, any judges willing to stay a little later for the Lightning Round would be greatly appreciated. Along with a modest NYSSEF gift, we're hoping to help defray travel costs for judges by offering a $25 travel voucher.

To find out more information about the NYSSEF Fair, please go to the NYSSEF website: www.nyssef.org and if you would like to register as a judge, please fill out the NYSSEF Judges Registration form: http://www.nyssef.org/nyssef-isef-judges-registration/.

Thank you.

Michelle Seeley-Flannory
NYSSEF ISEF Judge Coordinator

Serena McCalla, Ph.D.
NYSSEF President
