Post-Grad Study Abroad Info Session

Interested in post-graduate fellowships to
... conduct research abroad?
... study at a foreign university?
... teach English in another country?
... engage in overseas digital storytelling?

The U.S. Fulbright Program, Fulbright-Hays Dissertation Research Award, DAAD, Boren, Schwarzman, and other post-graduate fellowships offer highly competitive grants for study, research, assist in teaching English, and more in over 140 countries for those with their Bachelor’s but no PhD yet.

Who should come:
- Graduating undergraduates and current graduate students in any discipline, including arts, humanities, science & engineering

What you’ll learn:
- Which programs are right for you
- Strategies for being competitive
- Campus application process
- Tips for getting started.
