Preparing for Careers in Science Policy

Join Dr. Yaihara Fortis Santiago, Director of the Science Alliance at the New York Academy of Sciences, for a workshop on an increasingly popular career path for PhD scientists: Science policy.

This workshop will cover:

- Types of jobs in science policy
- Science policy fellowships (specially AAAS S&T Policy Fellowship)
- Career opportunities for international students and postdocs
- Skills needed to succeed in science policy

Tuesday, September 29, 2015
12:30pm—2:00pm
SAC Room 303

Lunch will be provided
