Attend this workshop to learn strategies for writing grant proposals for a range of purposes and sources.

The workshop will cover:

- Where to look for funding opportunities;
- How to know what the funder is looking for;
- How to write persuasively; and
- How to organize a proposal.

SPEAKERS:

Nancy Goroff  
Professor,  
Department of Chemistry; and  
Associate Provost, IREP

Barbara Frank  
Associate Professor and Chair,  
Department of Art

Who should sign up?  
Graduate students and postdocs in any discipline
