Language and Life in East Asia

东亚的语言和生活
東アジアの言語と生活
동아시아의 언어와 생활

Instructor: Dr. Jiwon Yun (Department of Linguistics)
Frey Hall 105, MWF 11:00-11:53am

This course explores the languages of China, Japan, and Korea in relation to their society, culture, history, and politics. We will learn about differences and similarities among the three languages in their sound system, grammar, and writing system. If you have any questions regarding this course, please contact the instructor: jiwon.yun@stonybrook.edu.
