The witch's curse has been dispersed; we'll sing and we'll spring, for now all has been reversed! Come children fine, we'll form a line, and we'll all join hands in joy divine!
Now sing and dance, now dance and sing! Now we can celebrate

Now sing and dance, now dance and sing, we'll eat the cakes and every thing! Now we can celebrate

Now we can celebrate through out the land you both complete our happy band!

Have thanks!

Praise and thanks!

Have praise and thanks for this great sight, we feel such delight!

Have praise and thanks for this great sight, for this sight, we feel such delight!

For this great sight, we will laugh with might!
