Important Reminders for Family Members

Communication of Student Information
Stony Brook University recognizes that communication between students and family/guardians is a very important issue. New students arrive expecting interesting and engaging classes, and a vibrant campus life, as well as respect for their privacy and independence. Family/guardians wish to remain interested and connected to their student’s success, not only when they arrive on campus but throughout their academic career.

Stony Brook University believes that students’ involvement, engagement, and responsibility for their education fosters growth and development. In keeping with this belief, the University’s primary relationship is with its students. This is consistent with the federal Family Educational Rights and Privacy Act (FERPA), which guarantees the privacy of educational records. All rights accorded under this law transfer to the student, regardless of age, at the time of enrollment at a postsecondary educational institution. Non-University individuals (including parents/guardians) may only have access to educational records, such as grades, grade point average, and the specific number of hours/credits enrolled, passed, or failed with the explicit authorization of the student. Students may complete a form authorizing the Registrar’s Office to permit parents/guardians to view the student’s academic record. For more information on FERPA, please visit the Registrar’s website at stonybrook.edu/commcms/registrar/.

It is important for students to communicate with their parents/guardians on a regular basis regarding both academic and social/personal concerns. Academic reports are provided to students with the expectation that this information will be a part of ongoing communication with parents/guardians. In some circumstances, the University may communicate directly with parents/guardians in instances of health emergencies, serious accidents, or other serious medical or psychological conditions.

In all practical circumstances, the University will attempt to obtain a student’s consent to notify parents. The University will, on occasion, need to rely on the judgment of its staff to assess each situation to make a determination as to when to seek parental assistance. The decision to notify parents/family without the agreement of the student will be made, in almost all cases, by hospital staff, University police, the Dean of Students, or the Vice President for Student Affairs. In cases where a parent or family member believes a student is in an urgent situation, they may call University Police at (631) 632-3333, the Office of the Dean of Students at (631) 632-7320, or the counselor on call at the University Counseling Center at (631) 632-6720.

Campus Safety and Security
Critical Incident Management and Communication Information for Parents
Stony Brook University has a comprehensive Emergency Management Plan and Critical Incident Management system which is utilized in the event of campus, regional, or national incidents. It is important for parents and students to be aware of these practices and to understand the University’s response in these circumstances.

SB Alert-Emergency Communications

1. Stony Brook has a Communications Plan for emergency responders using cell phones, pagers, e-mail, and portable radios to ensure communications and interoperability with each other and external agencies such as the Suffolk County Police and local fire departments. Emergency information is communicated to the campus community by way of our fire alarm systems, e-mail, website, campus cable TV system, radio station (WUSB 90.1 FM), and external media sources.
2. Voice and Text Messaging: Stony Brook has implemented a mass notification system with a private vendor to provide urgent communications to members of the campus community.
3. Campus E-mail: The campus e-mail system has been upgraded to improve the speed of delivery of e-mail during an emergency.
4. Campus Safety website: The Campus Safety “Staying Safe on Campus” website is a resource for the campus community. The website has links to important emergency, safety, security, health, counseling, and other information. Visit our website: stonybrook.edu/safety
5. Campus Siren: A siren system has been installed to alert the campus community if a significant emergency is imminent.
6. Digital Signage: New digital signage has been installed in large assembly areas in campus buildings. The LCD displays are centrally controlled with content directed to a particular geographic area.
7. Voice Fire/PA Systems: Fire alarm systems on campus have been upgraded to add additional voice-capable systems and to optimize their voice capability. This will allow us to broadcast an alternate emergency tone and voice message over the speaker system.

SB Guardian
A mobile phone-based service for students, staff, and faculty that functions in two primary ways:
1. **Panic Call Mode** – This feature allows users to not only connect with police via phone, but also by GPS and profile information. It is often referred to as a personalized blue light phone in your pocket.
2. **Precautionary Timer Mode** – This feature allows users to set a timer for the time they expect to travel from one location to another on campus. If the timer is not deactivated by the user, University Police will automatically be notified for investigation.

Emergency Management and Response
1. Stony Brook University has a comprehensive Emergency Management (All Hazards) Plan that establishes the policy, procedures, and organizational structure to respond, control, and recover from emergency situations, using the National Incident Management Training System (NIMS).
2. An Emergency Management Team, including University Police Officers, Fire Marshals, Building Managers, Safety Wardens, and Residential Hall staff responds to and evaluates emergency situations using the Incident Command System (ICS).
3. Our University Police Department, in partnership with the Suffolk County Police Department (SCPD), has reviewed Critical Incident Response Plans and provided training to all UPD Officers for “active shooting” situations. In addition, UPD Officers have received training on the National Incident Management System (NIMS), Mental Health Disorders, Firearms Training, and Incident Response.
4. Our University Fire Marshals provide fire safety coverage round-the-clock (24/7). Fire Marshals are highly trained for response to fires, fire alarms, hazardous material incidents, technical rescues, and other emergencies. They work closely with local volunteer fire departments, which facilitates the response to and recovery from emergency situations.

University Police
1. University Police officers patrol the Stony Brook University campus via motor vehicles, bicycles, and on foot.
2. Officers are trained at the Suffolk County Police Academy and receive continuous in-service training in topics that include crime prevention, CPR, bias-related crime, ethical awareness, multicultural diversity, crisis intervention, and firearms recertification. The University Police have a mutual aid agreement with the Suffolk County Police Department and a close working relationship with the New York State Police. Resources and crime information are routinely shared among these agencies.
3. Several campus safety programs exist to facilitate a safe campus environment, including Blue Light phones, Walk Service/Ride Service, ID card access to residential buildings, Operation ID, Rape Aggression Defense, video cameras, and Crime Stoppers.
4. University Police can issue traffic summonses and perform routine traffic stops. Drivers on campus must maintain the campus speed limit of 30 MPH (15 MPH in certain areas).
5. The North and South gates of the University are closed from 11:00 pm to 6:00 am. Individuals who wish to enter campus with a vehicle during those hours must enter through the main gate and present a Stony Brook University ID.

Additional information about campus safety, health, and security is available on the Campus Safety website at stonybrook.edu/safety

Student Health Insurance Policy
All full-time matriculated students at Stony Brook are automatically billed for the University Health Insurance plan at the beginning of each semester, as soon as they register for classes. Fees are posted separately for each semester. Waivers for this insurance plan are given only if the student already has comparable health insurance. To complete a waiver the student must go to the main page of his or her SOLAR account and follow the instructions under “Health Insurance Waivers” found under the header “Student Financial Services.” Waivers are only accepted through the third week of the semester. Students must complete a new waiver at the start of every fall semester.

Students who are insured by their parents’ insurance policy must review that policy before classes and determine:
• When the student will “age out” of the plan
• How to use the plan benefits when away from home
• How to use the plan for a medical emergency
• If the alternate plan will pay for medical services received in this geographical area
• How/when to submit a claim form and bill for prescription medicines or for lab tests to the parents’ health insurance company

Remember, your student should carry a copy of the health insurance ID card with them at all times, in case of medical emergency. Keep in mind as well that a student can enroll in the University health insurance plan only at the beginning of an

academic semester, or within 30 days of a student’s termination from an alternate policy. For more information regarding the required student health insurance, please call (631) 632-6740, or visit stonybrook.edu/shs

Immunization Requirements

The New York State (NYS) Department of Health requires us to make sure that Stony Brook students provide us with all of the required documentation regarding their immunization status. University Policy regarding immunizations states that as a condition of a student’s attendance at Stony Brook University, they must provide proof of immunity against measles, mumps, and rubella (MMR). This information is required of all students and must be received by the Student Health Service prior to orientation.

If students do not comply with these requirements, the following actions can be taken:

- Students will be deregistered from classes and will need to leave campus after any grace periods are exceeded. Students may not be permitted to participate in advance registration in the future, and may be subject to re-instatement fees and other fees.
- Student financial aid may be affected.

If a New York State resident student has not complied by the 30th day of the semester, and the student is taking six or more credits, the Registrar will disenroll the student. Out-of-state resident students and international students who are taking six or more credits have 45 days to comply. If they do not comply by the 45th day the Registrar will disenroll these students.

If a student is not sure where to obtain his/her immunization information, it may be obtained from the following sources:

- Student’s private medical practitioner
- High school health office
- Previous college health service (transfer students)
- Infant records held by parents that are signed by a physician

Immunizations (shots) are available from your doctor, through the NYS Department of Health, or through the Student Health Service. The NYS Department of Health offers immunizations at low cost, and in some cases no cost, to the student. If you need a health form please go to our website and download a copy at stonybrook.edu/shs/forms.html

Public Health Requirements–Meningitis

All students attending classes on a Stony Brook campus must verify by their signature that they have received information about meningococcal disease and have made an informed decision about whether or not to receive immunization against meningococcal disease. Students must demonstrate compliance with this requirement within 30 days after the first day of classes. The Registrar will deregister students who fail to comply with this health requirement. Students may comply with this law by reading the required information regarding meningitis and completing the meningococcal vaccination response form. This can be done via:

- Online form: Students 18 years old and older can access this through their SOLAR account.
- Paper form (pdf): Students can print the form, fill it out, bring it in, fax, or mail it to the Student Health Service. Students under the age of 18 must have their parent or guardian sign the form.

Students must provide the required immunization information immediately to the Student Health Service Office, not the Registrar’s Office. The Student Health Service Office is the office authorized in determining your compliance. Therefore, you must contact their office with any questions you might have. They can be reached at (631) 632-6740.

The University has the responsibility to make sure all students comply with the law, so please encourage your student to comply as soon as possible so that there will be no disruption to their University attendance.

The Student Health Service complies with all Federal (HIPAA/FERPA) and New York State Regulations regarding privacy of medical information. Any request for information regarding a patient who is 18 years or older would require the consent of the patient prior to the release of the specified information.

Academic Records

The Registrar’s Office is located on the 2nd Floor of the Administration Building in the lobby area. Services provided include assistance with registration, official transcript production, and enrollment verification. Important Reminders for Family Members

FERPA – Family Educational Rights and Privacy Act of 1974
FERPA is a federal law designed to protect the privacy of educational records. This law states that at the postsecondary level, parents have no inherent rights to inspect their son's or daughter's academic records. Once the student begins attending an institution of higher education, regardless of age, FERPA rights transfer to the student. Records can be released to the parent if one of the following conditions is met:

• Through written consent of the student
• In compliance with a subpoena
• If the student is a dependent on the most recent tax return. A copy of the return is required. This is a last-resort option, is rarely used, and is at the University’s discretion.

Under FERPA, the following information is considered Directory Information and is available upon public inquiry: Name, Local Address, Phone, Program (Majors/Minors Declared), Degrees Awarded, Degree Dates, Dates of Attendance, Enrollment Status (Full-Time/Part-Time), Participation in Officially Recognized Activities and Sports.

FERPA forms to release or suppress information are available on the Registrar’s website.

ENROLLMENT VERIFICATIONS
An Enrollment Verification is an official document providing proof of student enrollment. Most commonly, medical insurance companies request proof of full-time status to keep the student covered under the parent’s plan. Students may also need a verification to defer student loans. Students may print out a verification by logging into their Solar System account after the semester add/drop deadline. Students may also request a verification by calling or coming in person to the Registrar’s Office. Students may bring an insurance company’s form for validation at the Registrar’s Office.

ACADEMIC CALENDARS
Every student is responsible for meeting Academic Calendar deadlines. Non-adherence to deadlines may result in academic record and/or financial consequences! Academic Calendars are available on the Registrar’s website.

IMPORTANT DEADLINE: Students who receive a TAP award MUST declare a major once they reach junior status (57 credits completed). If a student does not have a major declared by this time, they will be decertified for the TAP Award.

All deadline dates are strictly enforced.

All students, faculty, and staff at Stony Brook University have rights and responsibilities as members of this community. To help your student succeed at Stony Brook, please be sure that your student is familiar with the following policies. The majority of these policies are available online. During Experience Stony Brook, students will receive detailed information, in both print and interactive formats, regarding their rights and responsibilities on campus.

**Statement of Community**

As members of Stony Brook University, we acknowledge that the primary purpose of this community is education, including academic achievement, social development, and personal growth.

In committing ourselves to study and work at Stony Brook, we agree to promote equality, civility, caring, responsibility, accountability, and respect. We also recognize the importance of understanding and appreciating our differences and similarities.

As members of a respectful community, we will not encroach on the rights of others, either as individuals or as groups. We recognize that freedom of expression and opinion entails an obligation to listen to and understand the beliefs and opinions of others, and to treat others fairly.

We strive to be a responsible community. We are accountable individually for our personal behavior and development, and collectively for the welfare of the community itself.

We encourage all Stony Brook community members to celebrate and express pride in our community’s academic, athletic, and social accomplishments, and to involve themselves in the surrounding local and global communities.

In affirming this statement, we commit ourselves to becoming dedicated, active, and full members of Stony Brook University in each and every role we assume.

**University Community Standards**

The mission of the Office of University Community Standards is to support the University’s educational goals by promoting a just, safe, orderly, civil, and positive University climate for learning, both inside and outside the classroom, through behavioral standards, disciplinary processes, training and intervention efforts. University behavioral standards are outlined in the University Student Conduct Code and are reviewed on a tri-annual basis through the Rules Revision Committee, which includes significant student participation. The disciplinary processes contained in the Conduct Code provide students, faculty, staff, and visitors with a procedural guide to initiate a complaint against a student when their rights as members or visitors to the University community have been allegedly violated. Students can apply and become Administrative Hearing Board volunteers. Once selected, Hearing Board volunteers are trained to hear evidence and render fair and objective decisions on allegations brought to the formal hearing process. Intervention by the Office of University Community Standards addresses inappropriate student conduct and serves to educate students on how their behavior affected themselves, others, and the University community. For more information on the University Student Conduct Code please visit: http://studentaffairs.stonybrook.edu/ucs/conduct/conduct.html

**Alcohol Policy**

To ensure the responsible use of alcoholic beverages on property owned or leased by Stony Brook University, the University has established policies and procedures applicable to all members of the campus community, including students, faculty, staff, alumni, and visitors for the possession and responsible use of alcoholic beverages. Alcohol may be purchased, possessed, or consumed on the campus only by individuals who have attained the age of 21, and in approved locations. Student violation of these policies will result in corrective measures that may include legal and/or disciplinary action with referral to the Office of University Community Standards. Student support and intervention services are available on campus for alcohol and other drug problems. Students are strongly encouraged to use these services. For more information on the University Alcohol Policy please visit: studentaffairs.stonybrook.edu/ucs/policies/alcohol_policy.html

**Tobacco-Free Policy**

In keeping with the University’s desire to provide a respectful, safe, healthy, and clean environment for all students, employees, and visitors, the use of tobacco products is not permitted at Stony Brook. No forms of tobacco use are allowed on University property. This includes all indoor and outdoor locations. The use of tobacco is also prohibited in all University vehicles, which includes buses, vans, cars, and trucks. The sale of cigarettes and other tobacco products is prohibited anywhere on University property, and tobacco advertisements must not be publicly displayed at the University. For more information on the University Tobacco-Free Policy please visit: stonybrook.edu/tobaccofree.
**Traveling to Campus**

**Main Campus**

Stony Brook University is situated on a 1,000-acre site on the north shore of Long Island in southeastern New York. We are approximately 60 miles east of New York City.

**By Car:** From New York City, take the Long Island Expressway (LIE, I-495) eastbound from the Queens Midtown Tunnel in Manhattan or the Throgs Neck Bridge or Whitestone Bridge in Queens to exit 62, and follow Nicolls Road (Route 97) north for 9 miles. The main entrance to the University is on the left.

**By Train:** Take the Long Island Rail Road’s Port Jefferson line from Penn Station in Manhattan to Stony Brook. The LIRR station is at the north end of the campus; bus service to the central campus is provided. Trains to and from Penn Station generally require transfers at Jamaica or Huntington. Hicksville is also a transfer point on some lines.

**By Bus:** 7 Bus provides round-trip, seven-days-a-week transport between the Stony Brook campus and the Lower East Side of Manhattan and Rego Park, Queens.

**By Ferry:** Car ferries cross Long Island Sound at Bridgeport, Connecticut, to Port Jefferson, Long Island. Take Route 25A west (approximately 3.5 miles) to Nicolls Road, and turn left on Nicolls. The University entrances are the first three intersections you come to. From New London, Connecticut, to Orient Point, Long Island, take Route 25A west (approximately 50 miles) to Nicolls Road and proceed as stated above.

**By Plane:** Long Island’s Islip-MacArthur Airport is 16 miles from the campus and is serviced by direct flights by major airlines and commuter lines. New York City area airports (JFK, LaGuardia, and Newark) are 50 miles to the west. Driving directions to Stony Brook University from Islip-MacArthur Airport: Exit the airport and turn left onto Veterans Memorial Highway (Route 454 West). Merge onto Sunrise Highway (Route 27) and take the second exit onto Nicolls Road. Drive north for 12 miles. The main entrance to the University is on the left.

**Please note:** Off-campus vendor information provided in this calendar was compiled by current Stony Brook University students and is intended as a resource for students and their family members. **Stony Brook University and the Office of Student Orientation and Family Programs do not endorse any specific off-campus vendors and/or services.**

**Alma Mater/Fight Song**

**The Alma Mater**
Stony Brook’s Alma Mater, “Sandy Shore,” was adopted in 1985 after a composition contest. Dr. Peter Winkler, a professor in the Department of Music, in conjunction with lyricist Winston Clark, wrote the winning submission. Carol Marburger, wife of former University President John Marburger, is credited as the guiding spirit behind the song.

The band plays the Alma Mater at the conclusion of all football games as the team stands and salutes the band from the field.

“Sandy Shore”
Music: Peter Winkler; Lyrics: Winston Clark

Sandy shore
Meeting the Northern sea
Ancient ground where newborn dreams arise
Scarlet, gray
Under azure skies
The morning of a lifetime lies in Stony Brook
Raise a grateful cheer for Stony Brook!

Youthful joys
Youthful folly, too
Ancient wisdom seen through youthful eyes
Lifelong friends
Bound by youthful ties
The morning of a lifetime lies in Stony Brook
Raise a grateful cheer for Stony Brook!

“Fight Song”
The “Fight Song” was written by Perry Goldstein and Howard Gimple in commemoration of the band’s inaugural season. The band plays it at all home football and basketball games.

Music: Perry Goldstein; Lyrics: Howard Gimple

We’re the red hot Seawolves of SBU,
We never stop fighting until the battle’s through.
Let’s go Stony Brook,
Let’s go team,
Don’t let go until you hear them scream:
Seawolves Rock,
Seawolves Rule!
Let’s go Stony Brook, the number one school.
Go, Fight, Win!

**Send a Care Package**
The Residence Hall Association, with the help of On Campus Marketing, will provide a variety of services for parents to partake of throughout the year. Programs and products offered will be a way for parents to show their college students that they care. Included will be an opportunity to purchase welcome and/or care packages for their student living on campus. Be on the look-out in your mail for more information on opportunities throughout the year. For more information contact the Residence Hall Association at (631) 632-9236.
Academic and Transfer Advising Services ........................................ 632-7082
The Center serves sophomores, juniors, and seniors in the College of Arts and Sciences, College of Business, School of Journalism, and the School of Marine and Atmospheric Sciences. The office helps students plan their course schedule and to select an appropriate major, directs students to various tutoring and campus resources, and reviews students’ progress toward graduation. Additionally, transfer advisors evaluate transfer credits for general education requirements and work with students and academic departments to facilitate the evaluation of transfer credits for major and upper-division requirements.
