## Permission for Undergraduate Students (not Accelerated or Combined students) to Enroll in Graduate Course

Name: ______________________

If you have been accepted into a Master’s program and take more than six graduate credits while you are an Undergraduate, only six graduate credits will count towards your graduate degree. There are no exceptions to this policy.

If you are in an Accelerated or Combined Bachelor’s/Master’s program this is not the correct form. You must use the Permission for Undergraduate Students in an Accelerated Degree Program to Enroll in Graduate Courses form for those requests.
