

## 4 Week Summer Study Abroad Application Checklist

\*\*\*\*\*

Applications will only be reviewed once all materials are received!

### **Complete Application Packet, available online:**

Applicants are to apply online and provide the names and contact information for their two academic reference providers via the following online application system:

[https://app.applyyourself.com/AYApplicantLogin/fl\\_ApplicantLogin.asp?id=sunysb-int](https://app.applyyourself.com/AYApplicantLogin/fl_ApplicantLogin.asp?id=sunysb-int)

### **The online application includes mandatory uploads of the following items:**

#### **Study Statement** (one page, typed)

Clearly state why you have chosen to apply to the 4 week summer study abroad program in St. Petersburg, Russia. Is your interest in the place? The courses? Something else? Please be as specific as possible.

#### **Image of the Information Page from your Passport**

Upload a high-quality color image of the information page of your passport. If you do not have a passport, please mention this in your study statement (so we will know this is not something you overlooked in the application.)

#### **Transcripts**

Because you will upload this document, you may use an official copy that has been removed from the envelope. Please retain the document in case we must request it at a later date. Scan in black and white, at low resolution, then upload.

#### **Two Confidential Letters of Recommendation.**

This program requires two LETTERS (not simply the single-page form available through Apply Yourself). At least one of these letters should be from someone who has instructed you in one of your college or university courses.

#### **\$60 Non-refundable Application Fee**

Questions? More information about the application process is available here:
