Upper Division Writing Requirement Form
Environmental Design, Policy and Planning Major

Students in the EDP Major under the Sustainability Studies Program are expected to fulfill the upper-division writing requirement by the end of their senior year. This is part of each student’s graduation requirement. The requirement must be met accordingly:

1. Submit the paper completed for EDP 404, The Design Project.
Acceptable papers must have a grade no lower than a B.

2. Submit a paper written from a 300-level course or higher for a required course within the Sustainability Studies Program.
Acceptable papers must:
   - Have instructor comments and a grade no lower than a B;
   - Be at least seven-pages, double-spaced, typed, and;
   - Be properly referenced.

3. In addition, students must take CSK 302 and pass this class with a B or better.

Please attach each paper to this form.
