

**Women, Culture, and Difference:  
Introduction to Women's, Gender and Sexuality  
Studies (WST103)**

*Fall 2019 Tu/Th 2:30 – 3:50*

*Instructor: Stephanie Bonvissuto*

- This course serves as an introduction to Women's, Gender, and Sexuality Studies, the critical interdisciplinary exploration of identity formations and their impacts on culture and society.
- Starting with Feminism and its engagement with gendered and sexual social constructions, we move to new emerging considerations such as Transfeminism and Queer Studies that have challenged and transformed prior knowledges.
- Finally, we cross national borders to locate gendered, sexual, race and class-marked subjects as both commodified objects and critical bodies of anti-colonial and anti-corporate resistance.
