BSEEOl Program Educational Objectives

The objectives of the Bachelor of Science program in electrical engineering are:

PEO1: Our graduates should excel in engineering positions in industry and other organizations that emphasize design and implementation of engineering systems and devices.

PEO2: Our graduates should excel in the best graduate schools, reaching advanced degrees in engineering and related discipline.

PEO3: Within several years from graduation our alumni should have established a successful career in an engineering-related multidisciplinary field, leading or participating effectively in interdisciplinary engineering projects, as well as continuously adapting to changing technologies.

PEO4: Our graduates are expected to continue personal development through professional study and self-learning.

PEO5: Our graduates are expected to be good citizens and cultured human beings, with full appreciation of the importance of professional, ethical and societal responsibilities.
