4. **Information about Temporary Protected Status:**
   
   (Excerpt taken from SEVP broadcast message dated January 22, 2010.) The Department of Homeland Security (DHS) Secretary, Janet Napolitano, has determined that an 18-month designation of Temporary Protected Status (TPS) for Haiti is warranted because of the devastating earthquake and aftershocks which occurred on January 12, 2010. TPS beneficiaries are allowed to remain in the United States, and can legally work for a set time period. U.S. Citizenship and Immigration Services (USCIS) will efficiently and timely process immigration applications for TPS filed by nationals of Haiti. See link below for details:
