

Your Home Page

The screenshot shows the Lotus Notes 8 Home page. At the top left is the Lotus logo and the text "Lotus Notes 8 Home". Below this is a grid of application tiles: Mail, Calendar, Contacts, To Do, Documents, Presentations, Spreadsheets, and Personal Journal. Each tile has a "New" button. A yellow callout bubble points to the Mail tile with the text: "Click the icon on your **Home page** to open your Mail, Calendar, Contacts, To Do, etc." Another yellow callout bubble points to the desktop icons on the left with the text: "Shortcuts to these same things also appear on the **bookmark bar**".

Exit Notes

To exit Notes:

- Click the **File** menu and choose **Exit**

Or, click the **Close** button (**X**) in the upper right-hand corner of the window.
