* When you purchase a 2007 product, you will receive the 2003 version until the 2007 version is available. You are entitled to the free upgrade when 2007 becomes available.

** Windows XP Professional Licenses are no longer available from MS select. When you purchase a Vista Business licenses you will receive a Windows XP Pro upgrade license until the campus certifies MS Vista Business edition. Windows Vista Business is the only version for sale on Microsoft Select at this moment. Once Windows Vista Business edition is certified for the campus we will send out hardware/software recommendations.

The signature below acknowledges that you agree to have a Client Support Technician install the requested software.
