

# Finding Books & Other Stuff Using STARS

**STARS**, the University Library's online catalog, is the place to find materials held in the SBU Libraries; books, dvds/videos, and journals. You may also renew your books in **STARS**; request a hold for books currently on loan and view reserve materials for your classes.

Step 1 Go to the library home page @ [www.stonybrook.edu/library](http://www.stonybrook.edu/library).

Step 2 Click on **STARS** icon.

If you Sign-in you can check your record and renew your books online.

Here you can do a Basic or Advanced Search, or see Course Reserves.

Check the Journal Catalog only.

Search Buttons

You can search by what you know: Title, Author, Call Number, LC Subject Heading....

Or here, you can search by one or more Keywords. Just type in your keyword(s) and hit **Search**.

Choose the format: All formats or just Books, E-book, Journals, Video Recordings, etc.

Notice the location. SBU has several branch libraries: Science & Engineering Library, Main Library Stacks, Main Library Reference, the Music Library, Chemistry, Math/Physics/Astronomy Library, Computer Science and MASIC.

\*Clicking on the title will give you more information. See the subject headings within each record to help you narrow down your search.

This shows the number of items held in the library and how many are on loan. Example: (1/0) means that the library has 1 copy and "0" are on loan.
