<b>Internship Seminar</b>	EDL/CEQ 586 Educational Leadership Internship Seminar	EDL/CEQ 566 School Business Internship Seminar

Note: There are field hours embedded in each course through authentic performance activities. Assignments will be given that would require collaboration with administrators in the public school district. This is in addition to the full semester and summer portion of the internship. Please contact the Educational Leadership Program Director and/or Internship Coordinator for continuing guidance as you pursue your chosen course of study.
