

Admissions Requirements and Instructions

All students must apply for admission to the teacher education program even if they have already been admitted to the University. Undergraduates should apply no later than spring of their sophomore year (or the fifth semester before their anticipated date of graduation) to insure that graduation is not delayed. Applications should be submitted to the program to which admission is being sought.

All programs have minimum academic requirements (GPA and/or performance in specific courses) for admission and continuation; check with the program directors for more specific information. In addition, applications should include:

- An application essay: see below.
- An unofficial transcript from each college or university the applicant has attended (including Stony Brook University)
- Conference with the Program Director (contact appropriate Program Director for details).

APPLICATION ESSAY TOPIC

The goal of the Professional Education Program (PEP) is to develop educators who are able to implement the concepts identified in the Themes & Pathways articulated in the *PEP Conceptual Framework*.

In light of your experiences, interests and ambitions, select one theme and one pathway from the *Conceptual Framework* and explain in a well-written, 500-750 word essay how these two concepts will guide you in your development as an effective educator in your chosen field.

The full text of the *PEP Conceptual Framework* may be found at:

<http://www.stonybrook.edu/pep/assessment.shtml>

An abridged version of the *PEP Conceptual Framework* may also be found at:

Please note that admission to all programs is competitive, not automatic. Matriculation in the program and approval of the Program Director is required to register for education classes.
