Footnotes:

Please note that segments dealing with: Integration of Technology in the Curriculum, Inclusion of the Special Child, Multi-Culturalism and Diversity in the Classroom, and Literacy (the teaching of reading and writing English in each content field) must be included in the two foundations courses and in the methods courses as well as in a specially designed course that will be taught across the curricula.

* One year of a language other than English is required of all teachers in the State of New York, and may include American Sign Language (ASL).

** Two years of a language other than English is required for TESOL and may include ASL.

All teachers are required to submit evidence of completion of Child and Substance Abuse, and Violence Prevention Seminars. Fingerprint certification is also required.

+ All teachers must submit evidence of completion of the LAST, ATS -W, and CST.

@ Field is a co-requisite of each methods course.

@@ Formerly SSE 327.

^ Formerly CEE 565. Effective fall 2008, CEE 565 will no longer be accepted towards completion of Stony Brook's registered and approved graduate level teacher education programs.

● English credits must include specific content areas. Contact Program Director for specifics.

●● Applicants must have an undergraduate degree in history or one of the other social sciences, excluding psychology (plus a minimum 18 credits in history).

New Special Education course requirements (CEF 347 (U.G.) and CEF 547 (Grad) effective September 1, 2011.

All teachers in New York State **must** be U.S. citizens or non-U.S. citizens who are lawful permanent residents, otherwise they will not be licensed.

Five-year accelerated bachelor's/master's programs have been approved by the New York State Education Department (January 2006) for admissions beginning in the fall of 2006. Please contact the program director for the certification program of your interest in order to obtain advisement on course requirements.
