**Saturday classes:** Finals are scheduled for Saturday, May 12, 2012, during the scheduled class time.

\*Periods 1 and 5 include an additional 15 minutes for exam administration.

The last exam of the course, whether comprehensive or covering only a portion of the material, must be given during the Final Exam Period. Exceptions may only be granted by the dean for compelling academic reasons. Students who find that a final exam has been scheduled during the last week of classes in any of their courses should contact the Office of Undergraduate Affairs at 632-7081.

To determine the time and date of your examination, find the time your class **lecture** meets (or the “common exam” box for large multi sectioned courses) and look to the left of the row to find the **day** of the exam, and to the top of the column for the **time**.

If your lecture meets one day a week at a non-standard time, the examination will be held at the previous standard lecture time (e.g., the exam for a class that begins at 10:45 A.M. on Monday will be held at the time indicated for classes that meet at 10:30 - 11:25 A.M. on M/W/F).

Classes that meet on MW 5:00-6:50 will hold their exams during the MW 5:20-6:45 exam time slot and classes that meet on TUTH 5:00-6:50 will hold their exam during the TUTH 5:20-6:40 time slot.

Unless otherwise announced, the examination will be given in the room where the regular class is held.

**It is the student’s responsibility to plan a class schedule that avoids exam conflicts and too many exams in the same day.**

Students taking evening classes must be especially careful to avoid exam conflicts between their midterm evening course exams and the final common exams. **Instructors are not obligated to give makeup examinations to students in cases of such conflicts.**
