

STONY BROOK SOUTHAMPTON

High School Scholars Program ★ Fall 2009

PROGRAM DESCRIPTION

Students enrolling in the courses listed on the back of this brochure participate in regular college classes on the Stony Brook Southampton campus in the afternoon and evening. This program helps high school students develop the skills necessary for a successful college career, familiarizes them with the demands of university coursework, and introduces them to the learning environment and resources of a major university before they enter college full time.

Stony Brook Southampton High School Scholars are enrolled at Stony Brook Southampton as part-time, non-matriculated students. Upon completion of a course, students may request an official transcript from the Office of the Registrar and may later use these credits towards a degree at Stony Brook or as transfer credits. Program participants are responsible for their own transportation. Parking is available in designated parking lots.

WHO SHOULD APPLY?

The Stony Brook Southampton High School Scholars Program is designed for high school juniors and seniors whose academic performance indicates a readiness for college work and whose schedules can accommodate the time commitment required. Participation in the program usually requires about 10 to 15 hours per week, including class attendance, readings, and completing assignments.

WHAT ARE THE EXPENSES?

Program participants are responsible for payment of a \$200 per course program fee; Regular tuition and college fees are waived. This fee is non-refundable once the student is admitted to the program. In addition, you are responsible for purchasing any required textbooks and paying any course-specific fees.

HOW DO I APPLY?

Complete and submit the application on the inside of this brochure no later than **Monday, August 3, 2009**. Fax or mail your application, a copy of your high school transcript, the Meningitis Information Response Form, and \$200 program fee to the address or fax number provided on the application.

Your application requires signatures of approval from your guidance counselor or principal and from your parent or guardian. Please specify the course number and section preferences on the application. Students accepted into the program may take one course each semester. Requests for two courses will be considered on an individual basis. Many courses are limited in size; therefore, you should apply as early as possible.

HIGH SCHOOL SCHOLARS COURSES ★ FALL 2009

AMS 102 Elements of Statistics

LEC 10: Tuesday & Thursday 2:20-3:40 PM

FINAL EXAM: Friday, December 18, 11:15-1:45 PM

The use and misuse of statistics in real life situations; basic statistical measures of central tendency and of dispersion, frequency distributions, elements of probability, binomial and normal distributions, small and large sample hypothesis testing, confidence intervals, chi square test, and regression. *Appropriate only for students whose high schools do not offer AP Statistics. Prerequisite: Completion of one year of pre-calculus with an A. 3 credits*

MUS 119 Elements of Music

LEC 16: Monday & Wednesday 3:50-5:10 PM

FINAL EXAM: Monday, December 14, 2:15-4:45 PM

Beginning with the rudiments of music, such as meter, tempo, rhythm, and how to read notes in several clefs, this "hands on" course goes on to examine how music is organized, covering scales, keys, intervals, chords, form, and style in classical music. Students also compose throughout the semester and sharpen their listening skills through attendance at concerts. Serves as prerequisite to many music department courses. *3 credits*

SBC 117 Design Drawing

LEC 05: Monday & Wednesday 3:50-5:10 PM

FINAL EXAM: Monday, December 14, 2:15-4:45 PM

This introductory course exposes the student to the fundamental theories and practices employed in visually representing design concepts from observational through technical and speculative drawing. The course content introduces the student to contour drawing, rendering, orthographic projection, and pictorial drawing. Project work engages the student in the application of the above-mentioned drawing techniques and develops skills through the solution of student tailored problems. *3 credits*

THR 104 Play Analysis

LEC 05: Monday & Wednesday 3:50-5:10 PM

FINAL EXAM: Monday, December 14, 2:15-4:45 PM

A close reading of several plays of different periods and styles and a general examination of the elements out of which all plays are made – dialogue, character, plot. *3 credits*

THR 105 Acting I

LEC 09: Monday & Wednesday 6:00-7:20 PM

FINAL EXAM: Monday, December 14, 8:15-11:00 PM

The basic vocabulary and skills of the actor's craft. Students explore acting techniques through theatre games and improvisation. *3 credits*
