

Year of Community Giving: Action ★ Compassion ★ Time ★ Support

Paying It Forward

Giving can be achieved through acts of compassion, allocation of time, and/or financial support. To gain a better understanding of the ways in which members of our Stony Brook Community are giving—on and off campus—we ask you to respond to the questions below.

With your help we hope this information will broaden our knowledge about the various causes, initiatives, and efforts our campus community is involved in and enable us to feature some of these in various publications and campus media outlets.
