Scores

Between 10 and 15

Looks like you're pretty smart about how you use online communities. Keep it up.

Between 15 and 22

You may want to consider making some smarter choices about what you post online. Your profile may appear "OK" to one person, employer, etc. but inappropriate for another.

Above 22

It looks like it's time to make some drastic changes to your online profile. Many of the choices you have made about posting certain pictures and information may not be so smart. Consider cleaning up some items and using more caution.
