The interdisciplinary minor in Health and Wellness is designed to give students a foundation in the concepts of healthy living and to help students select future studies/careers in the health professions. Students taking the minor are encouraged to live in the Schick College Health and Wellness Living Learning Center, although it is not necessary to do so.

**Courses Offered in Health and Wellness**

See the Course Descriptions listing in this Bulletin for complete information.

- LHW 102 Introductory Seminar to the Health Professions
- LHW 301 Issues in Health and Wellness
- LHW 488 Internship in Health and Wellness

**Requirements for the Minor in Health and Wellness (LHW)**

Before declaring the Health and Wellness minor, each student should plan his or her program in consultation with the director of the minor. All courses offered for the minor must be passed with a letter grade of C or higher.

Completion of the minor requires 19 credits.
