Financial Information
S\ntudents are responsible for reviewing, understanding, and abiding by the University's regulations, procedures, requirements, and deadlines as described in official publications, including this Undergraduate Bulletin, the Student Handbook, and class schedules.

Charges are posted to the student’s account at the time of registration. It is the student’s responsibility to pay his or her student account after registration. Billing statements will be sent to the student with a due date for full payment or for joining the optional payment plan. All tuition, fees, and charges must be paid by the due date, regardless of whether a billing statement has been received. Student accounts can be viewed and balances paid by credit card or check on the SOLAR System Web site.

Failure to satisfy this financial obligation by the due date of the billing statement will result in late fees, and will prevent students from receiving transcripts, diplomas, and certifications, and from registering for future semesters. Nonpayment does not constitute official withdrawal, which must be done through the Registrar's Office. Failure to attend classes will not relieve students of their financial obligation or entitle students to a refund. The date of official withdrawal determines eligibility for any refunds in accordance with the schedule found under Refund of Tuition. All tuition, fees, and charges are current as of August 2006 and are subject to change without notice.

Payment of Fees and Charges

It is the student’s responsibility to pay his or her student account after registration. After enrolling for classes for the fall and spring semesters, all students will be sent a billing statement for tuition and fees with instructions for making payments by mail, in person, or via the online SOLAR System at http://www.stonybrook.edu/solarsystem. All tuition, fees, and charges must be paid by the due date. During the summer session, payment of tuition and fees is due within seven days after enrollment. Winter session billing information is available online at http://www.stonybrook.edu/winter/utrmoney/.

Tuition, fees, and other University charges assessed on each fall and spring billing statement will be due in full by the due date appearing on the statement. University fall and spring billing statements are sent to the student’s home address. Students should confirm that their home address is accurate in their SOLAR System account. Students can check and pay their account balance for each term or session through SOLAR. Students must have proof of anticipated financial aid, waivers, or scholarships to properly defer payment. Without satisfactory evidence to defer, students are expected to pay charges themselves and wait for reimbursement when the financial aid, waiver, or scholarship funds are actually received. Students have the option to enroll on the Solar System in the Time Option Payment Plan (TOPP) while waiting for the financial aid package to be completed. Students should apply early for any financial aid.

Payments made by check or money order must be made payable to Stony Brook University, and sent to P.O. Box 619, Stony Brook, NY 11790. Any returned payments are subject to a $20 handling fee and may be subject to a $40 late payment fee. Payments made by return mail should include the top portion of the statement (to ensure proper credit to the account), and should be sent in the return-addressed envelope provided with the bill. Mailed payments must be postmarked by the due date to avoid the late payment fee. Students are encouraged to pay by using the SOLAR System or by mail. All payments should include the student’s Stony Brook ID number for prompt and proper credit.

Payment may also be made with Visa, MasterCard, Discover, and American Express. Payment with a credit card or check may be made using the SOLAR System at http://www.stonybrook.edu/solarsystem.

Students registering on or after the first day of classes are required to pay a late registration fee of $40. The late registration period ends at the close of the second week of classes.

Failure to pay the amount due on fall and spring semester bills by the billing due date will result in an automatic assessment of the incremental late payment fee of $40. Incremental late payment fees, up to a total of $150 per semester, will be assessed on all accounts not completely paid by the due dates indicated on each successive account statement. Students should apply early for any financial aid in order to have their account paid before the University billing due dates. Late fees will not be removed because of pending financial aid.

Failure to pay Summer Session charges within seven days after enrollment will result in a deferred payment fee of $30 per session. Unpaid Summer Session charges are subject to additional late payment fees. A schedule of the assessment of these fees is available at the Summer Session Web site at http://www.stonybrook.edu/summer/money/index.html.

The Student Accounts Office offers a Time Option Payment Program (TOPP). This program allows for the budgeting of expenses on a monthly basis. This is not a loan of any sort; therefore, no interest is charged. There is a semester processing fee to help defray the administrative expenses of the program. For further information please go to http://www.stonybrook.edu/bursar or contact the Student Accounts Office at (631) 632-2455. The TOPP program is not available for the summer sessions.

Students failing to meet their financial obligations incurred at Stony Brook are not eligible to continue at the University or participate in room selection. No student may receive a degree, certificate of completion, or transcript until all charges due to the University or any of its related divisions are paid in full. Delinquent accounts will be transferred to private collection agencies and/or the New York State Attorney General’s Office for collection, and are subject to additional interest and/or collection charges.

Anticipated Aid

Students receiving awards provided by the State of New York, managed by the University, or payable to the University, may utilize deferment equal to the amount of the award. Documented proof of the amount of the award must be presented at the time of payment for the deferment to be applied to the account (only current awards are deferrable). Deferment may be granted to students for the following types of awards:

1. Tuition Assistance Program:
   All New York State residents are encouraged to file for Tuition Assistance Program (TAP) awards. Students should apply for TAP awards at the earliest possible date, preferably no later than June 10, if they expect to receive award certification from TAP prior to the beginning of classes in the fall. Students are reminded that failure to file an application in a timely manner can preclude their receiving award credit or deferment.

2. Academic Competitiveness Grant (ACG), Federal Perkins Loan, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Pell Grants, and National Science and Mathematics Access to Retain Talent (SMART): Students who have filed applications prior to the specified deadlines and who qualify for these awards will receive award notification from the Office of Student Financial Aid Services prior to registration. Offered awards can be accepted using the SOLAR system.
3. Veterans Educational Benefits: The Office of Veterans Affairs offers deferments to eligible students based on their anticipated receipt of V.A. educational assistance. The deferments allow students to postpone payment of all or part of their tuition charges and fees until the end of the semester for which the charges are incurred. Students wishing to obtain a deferment should obtain a bill covering all current charges from the Student Accounts Office before coming to the Office of Veterans Affairs to request a deferment.

4. Office of Vocational Rehabilitation: Deferment based on Office of Vocational Rehabilitation benefits may be obtained by presentation of an award letter or a voucher from the Office of Vocational Rehabilitation indicating the amount of the award and period covered. All such letters and vouchers must be accompanied by a Tuition Assistance Program Award Certificate, if applicable, and submitted to the Student Accounts Office.

5. Private, Public, or Industrial Scholarships, Grants, Internships, and Loans (including Foreign Student Government Scholarships and Vocational Rehabilitation Grants): All students who can present notification of awards payable to the University, or jointly payable to the University and the student in the above categories, are eligible for a deferment equal to the amount of the award. In cases where the award is payable to the University and the student, the student will be required to submit a copy of the award letter to the Student Accounts Office to receive deferment.

6. New York Higher Education Services Corporation Loans (NYHESC): After filing the required loan forms, the student will receive the Notice of Loan Guarantee from Albany. Deferment will be automatically applied to each student’s account.

Refund Policy

All requests for refunds must be submitted in writing to the following address:

Refunds, Student Accounts Office
254 Administration Building
Stony Brook University
Stony Brook, NY 11794-1301

Refund of Pre-Enrollment Tuition Deposits

Each new student is required to pay an advance tuition deposit of $100. Deposits are due by the date indicated on the deposit card, which is sent in the students’ Admissions Packet. Deposits are applied to charges incurred by the student in the first semester. Requests for refunds will be granted under the following conditions:

1. A request for a refund of the tuition deposit must be made in writing to the Student Accounts Office and received by the date printed on the deposit card or 30 days after the offer of admission, whichever is later.

2. If enrolled in another SUNY school, a student must provide satisfactory proof of such enrollment to the Student Accounts Office.

After the first day of classes, pre-enrollment tuition deposits will be forfeited.

Refund of Housing Deposits

Each student is required to pay a $200 room deposit when requesting a future room assignment; this deposit will be applied to the housing charges for the first semester. A request for refund of the room deposit must be made in writing to the Division of Campus Residences within 15 days of the start of the semester. Students not receiving an assignment within 30 days of deposit will have until notification of assignment to request a refund. After the first day of classes, housing deposits will be forfeited.

Refund of Tuition

Students who withdraw from the University or decrease their academic load are liable for payment of tuition in accordance with the following schedules:

The first day of classes as published by the University in the academic calendar shall be considered the first day of the semester, quarter, or other term.

Certification of the effective date of withdrawal must be made by the Registrar’s Office.

After 100 percent liability, a student is liable for tuition and all fees in full. Students who register for courses and do not file the appropriate withdrawal or do not drop before the end of the fourth week of classes are liable for their full charges.

Note: Non-attendance of classes does not classify as an official withdrawal, and does not relieve the student of his or her financial obligation, or entitle the student to a refund.

More information can be found in the University’s Refund Policy publication, available in the Student Accounts Office.

No money shall be refunded for tuition unless application for a refund is made within one year after the end of the term for which the tuition requested to be refunded was paid to the State University.

Exception

There is no tuition or fee liability for a student who withdraws to enter military service prior to the end of an academic term for those courses in which he or she does not receive academic credit. Acceptable proof must be submitted.

Refund of Registration-Related Fees

During the period of zero percent liability, refunds will be processed for registration-related fees, such as the comprehensive fee, student activity fee, and specific course fees, such as engineering or physical education laboratory fees. After zero percent liability, all fees are due in full.

Students who register for courses and who do not file the appropriate withdrawal or do not drop before the end of

the fourth week of classes are liable for their full charges.

Refund of Room Fee
When occupancy levels are at or above 100 percent capacity, residents wishing to cancel their housing will be billed a pro-rated portion of their housing fees through the end of the week in which they last occupied a space in the residence halls.

More importantly, should the total occupancy in the residence halls fall below 100 percent of utilization, students who cancel their housing assignment after the start of the semester will be responsible for the full cost of room rent for the semester. No pro-rations of room rent will be offered.

Refund of Student Activity Fee
As determined by the Undergraduate Student Government and the Graduate Student Organization, full refunds of the student activity fee will be granted if the student withdraws during the first week of classes. No refunds will be granted for withdrawals after the first week of classes.

Refund of Meal Plan Fee
Students who withdraw from the University or who wish to cancel their meal plan because they have moved off campus or to a building/area designated as a cooking area must notify the Meal Plan Office either in writing or in person. Students cancelling their meal plans who fail to contact the Meal Plan Office will be charged the full amount of the meal plan. All credits are prorated.

For more up-to-date information, refer to the meal plan brochure, consult the Website at http://www.campusdining.org, or call or visit the Meal Plan Office, Suite 250, Student Union, (631) 632-6517.

Refund of College Fee, Late Registration Fee, and Lost Campus Card Fee
These fees are not refundable.

Refunds Caused by Overpayment or Processing Errors
Refunds of amounts paid will be made when a student overpays his or her tuition and fees provided the student has made a written request to the Student Accounts Office within one year after the end of the term that the money was paid to the University. Overpayments by credit card payments will be processed as credit card refunds.

Other Expenses

Food
All resident students will be enrolled in a Resident Meal Plan unless they have previously completed two semesters of study at Stony Brook and reside in a designated cooking area. Failure to select a dining option will result in an enrollment in the Silver Meal Plan (Meal Plan 2). All students who reside in residence hall areas designated as mandatory meal plan areas must enroll in a Resident Meal Plan regardless of class status or tenure at Stony Brook. All meal plans are annual.

Students who wish to cancel their meal plans should see the section “Refund of Meal Plan Fee” in the “Financial Information” section of this Bulletin.

For more up-to-date information, refer to the meal plan brochure, or call or visit the Meal Plan Office, Suite 250, Student Union, (631) 632-6517. Similar plans will be offered in coming years, but prices cannot be predicted. It is expected, however, that future price ranges will not vary greatly from those now in effect.

Food Service
Campus Dining Services serves the Stony Brook community daily with a wide variety of cuisines. Currently there are nine dining locations. These include three resident locations: Campus Connection @ H-Quad, Kelly Dining Center, and Roth Food Court. At the center of campus, options include the Student Activities Center, the Bleacher Club, and the Union Deli. The End of the Bridge, open Monday–Friday 5:00 p.m.–9:00 p.m., offers a traditional sit-down dining experience.

The Kelly Coffee and Tea House, open daily 5:00 p.m.–12:00 p.m., offers wireless Internet and a great place to study or just hang with some friends. The Tabler Café, offering sandwiches, salads, freshly made soups, and more, is open Wednesday–Sunday 4:00 p.m.–10:00 p.m., with live entertainment every Saturday. For more information, see http://www.campusdining.org or call 632-MEAL (6325) to hear daily menus.

Books and Supplies
The average estimated expense is $900 for nine months (September–May). This figure is used for computing the basic student aid budget.

Miscellaneous Expenses
The average estimated personal expense is $1,292 for nine months. This figure is used for computing the basic student aid budget.

Travel Expenses
The average estimated expense is $500 for nine months on campus for a student living in a residence hall. The average estimated expense is $2,550 for nine months for a student residing with parents and commuting to the campus. These amounts are also used for computing the basic student aid budget.

International Academic Program Expenses
Students who participate in SUNY International Academic Programs pay the normal SUNY tuition. They must also pay round-trip transportation and housing costs. Programs in some countries also carry a program fee to cover exceptional administrative expenses. The costs of studying abroad do not usually exceed those of studying as a resident student at Stony Brook.

Off-Campus Housing Service
The Off-Campus Housing Office provides information concerning rentals of rooms, apartments, and housing within a 15-mile radius of the University. All landlords listing property with the University must sign a statement assuring nondiscriminatory practices; listings do not become available until such assurance is received. The Off-Campus Housing Office and the University may not become parties to landlord-tenant disputes.

The average price per month for a furnished room is $400 to $500. Kitchen privileges are most often included in this price. Rooms available in houses rented by other students are also listed as

http://www.campusdining.org
houses to share. That is, arrangements can sometimes be made to share a complete house for $400 to $600 per month plus a percentage of the utility costs. Apartment listings cover those available in standard apartment complexes and in private homes. The usual rental rate of a studio apartment (one large room, bathroom, closets, kitchenette) in a house is approximately $500 to $750 per month. A studio apartment in one of the apartment facilities usually costs between $600 and $800. Apartments in housing complexes usually provide more space and privacy. A conventional one-bedroom apartment, including living room, dining room, kitchenette, bathroom, and closet space, usually ranges in price from $750-$1100 per month. Utility costs, except electricity, are often included in the price.

There are also listings for house rentals in the area. These rentals range from $850 to $2,200 per month, not including utilities. The price depends on the number of rooms in the house, the condition of the house, and its proximity to the campus.

Financial Aid

The Office of Student Financial Aid Services administers several federal and state programs that provide funds to assist eligible students in pursuing their academic goals. These programs are the Academic Competitiveness Grant (ACG), Federal Perkins Loan, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study (FWS), and Educational Opportunity Program (EOP). The office also manages the Federal Pell Grant, Federal Family Education Loan (FFEL) Program, the New York State Tuition Assistance Program (TAP), the National Science and Mathematics Access to Retain Talent Grant (SMART), and the New York State Aid for Part-Time Study (APTS) Program. These programs are described below, together with other sources of state and federal assistance for which prospective students might qualify while attending Stony Brook.

The basic applications for programs administered by the Office of Student Financial Aid Services are the Free Application for Federal Student Aid (FAFSA), the Express Tuition Assistance Program Application (ETA), and the Aid for Part-Time Study (APTS) application. Application forms and information about application guidelines and deadlines are available at the Office of Student Financial Aid Services, 180 Administration Building, (631) 632-6840, or on the financial aid Web site at http://www.stonybrook.edu/financialaid.

Note: The ETA is available to the students after filing the FAFSA; please see the New York State Programs section for further information about the application process for a Tuition Assistance Program (TAP) Grant.

Students should be aware that the University will implement all changes in standards and/or policies that are prescribed by the federal and state regulations governing financial aid administration.

FEDERAL PROGRAMS

Application Procedures

Students may apply for funding through the federal programs in one of the following ways:

- Complete an electronic FAFSA or Renewal FAFSA via Internet at http://www.fafsa.ed.gov
- Complete and mail a paper FAFSA to the federal processor

Upon filing, the applicant will receive a document known as the Student Aid Report (SAR), which indicates his or her Expected Family Contribution (EFC). This EFC is used to determine the applicant’s eligibility for one or more of the federal programs.

The information contained in the SAR will be transmitted electronically to Stony Brook if the applicant included the institution’s Title IV School Code (002838) on the FAFSA. This information is necessary before a financial aid award package can be provided to the student. The Office of Student Financial Aid Services notifies each student once their award package has been completed. Students can accept their awards online, in real time, using the SOLAR system.

If the student’s application is selected for verification, he or she will be requested to provide additional documentation to substantiate the accuracy of the information filed on the FAFSA. This documentation must be compared to the SAR data and corrections made if necessary. The Office of Student Financial Aid Services must be in receipt of the data from a correct and valid SAR before payment of awards can be made.

Requirements and Responsibilities of Recipients

To receive financial assistance through any of the federal programs, the student must: 1) be a citizen, permanent resident alien, or other eligible resident of the U.S.; 2) be matriculated into a degree program; 3) register with Selective Service, if required; and 4) not owe refunds of any awards made previously through one or more of the federal programs, or be in default on repayment of any student loan.

Before receiving payment, the student must sign a statement of educational purpose confirming that all money received will be used for the costs of postsecondary education only (i.e., tuition, fees, books, and living expenses).

Satisfactory Academic Progress Policy for Federal Financial Aid

Federal regulations specify that academic progress be measured each year (following the spring semester). Eligibility for assistance from the Federal Pell Grant, Federal SEOG, Federal Perkins Loan, Federal Work-Study, and Federal Stafford and PLUS Loan programs is contingent on the student’s good standing.

1. A full-time undergraduate student in a four-year program must successfully earn a minimum average of 20 credits per year in order to complete his or her program in a maximum of six years.

2. Incomplete (I), No Record (NR), Failure (F), Unsatisfactory (U), No Credit (NC), and Academic Dishonesty (Q) grades do not count as earned credits.

3. If you are a transfer student, the University will count only those transfer credits that apply toward the current program.

4. Quantitative academic standing is reviewed yearly following the spring semester:

a. Federal Financial Aid Warning:
   A student’s quantitative satisfactory academic progress standing will be set to “warning” under the following conditions:
   i. The student has attended for less than 3 full time years,

http://www.stonybrook.edu/ugbulletin 35
ii. The student has taken at least 30 credits, and
iii. The student has not earned a minimum average of 20 credits per year.

b. Federal Financial Aid Probation:
A student’s quantitative satisfactory academic progress standing will be set to “probation” under the following conditions:

i. The prior year’s quantitative satisfactory academic progress evaluation was not already set to “probation” or “unsatisfactory”.
ii. The student has been in attendance at the University for greater than 3 full time years but less than 6 full time years, and
iii. The student has not earned a minimum average of 20 credits per year.

c. Federal Financial Aid Unsatisfactory
If a student’s quantitative satisfactory academic progress is set to “unsatisfactory” the student will be ineligible to receive federal aid for the upcoming academic year and any future year as long as the status remains unsatisfactory. A student’s quantitative satisfactory academic progress standing will be set to “unsatisfactory” under any of the following conditions:

i. The student has been in attendance for 6 or more full time years.
ii. The student has earned more than 180 credits.
iii. The prior year’s satisfactory academic progress quantitative standing was set to “probation” and the student has not earned a minimum average of 20 credits per year.

Procedure for Federal Financial Aid Reinstatement
1. For those students who have exceed either the maximum time frame (6 full time years) or the maximum earned credits (180 credits), no possibility exists for having their federal aid reinstated.
2. For those students who have not exceeded either the maximum time frame (6 full time years) or the maximum earned credits (180 credits) but have lost their federal aid, aid will be reinstated by restoring their “minimum average earned credits per year” to 20 or higher. The student may make up credits during the summer session(s) if he or she has not earned the required number by the completion of the spring semester. However, payment for the summer courses must be made by the student. Those students who used the summer session(s) to bring their records to within compliance of the regulations must make an appointment to see a financial aid advisor to have their federal aid evaluated and reinstated for the following semester.

Procedure for Obtaining a Federal Financial Aid Waiver
1. A student who has exceeded either the maximum time frame (6 full time years) or the maximum earned credits (180 credits) cannot apply for a waiver.
2. A student who has lost their federal aid because they did not earn the minimum average of 20 credits per year may be granted a “one time” SAP (satisfactory academic progress) waiver if the student can document that his or her failure to make progress was a result of extenuating circumstances beyond his or her control. The student must also demonstrate that there is reasonable evidence that he or she will be successful in completing the academic career within the maximum allowable time frame.
3. A student must begin the appeals process by submitting a Satisfactory Academic Progress Waiver form to the Office of Student Financial Aid Services. The waiver form is available on the financial aid website.
4. A student must submit his or her appeal no later than forty-five days from the date that the student was notified by the Office of Student Financial Aid Services of failure to meet the quantitative satisfactory academic progress regulations.

Further information about academic progress as a condition of federal student aid can be obtained from the Office of Student Financial Aid Services.

“Emancipated” or “Independent” Student Status
The designation of independent status refers only to whether or not a student is required to report parental income when applying for financial aid. The University adheres to current federal guidelines for validating the status of a student as independent or emancipated for financial aid purposes.

These guidelines define an independent student as being in one of the following categories:

- 24 years of age or older by December 31 of the award year
- a veteran of the U.S. armed forces
- enrolled in a graduate or professional program (beyond a bachelor’s degree)
- married
- a ward of the court
- having legal dependents other than a spouse

Note: Independent status under the federal definition does not necessarily ensure independent status for state aid programs. See “Independent’ Student Status,” page 39.

Federal Pell Grant
Selection of Recipients and Allocation of Awards
The Federal Pell Grant Program is an entitlement program. Eligibility and award amount are based on need. Financial need is determined by a formula applied to all applicants. The formula was developed by the U.S. Department of Education and is reviewed annually by Congress. The Expected Family Contribution (EFC) is calculated by this formula.

The applicant must be pursuing a first
bachelor’s degree and enrolled for at least three credits in an approved post-secondary institution.

**Award Schedule**

Currently, awards range from $400 to $4,050. The award amount will be affected by the cost of attendance at a particular institution, expected family contribution, and the student’s enrollment status. The Pell award is not duplicative of state awards.

**Academic Competitiveness Grant (ACG)**

This newly created federal need-based grant program will provide up to $750 for the first year of undergraduate study and up to $1,300 for the second year of undergraduate study to full-time students who are U.S. citizens, eligible for a Federal Pell Grant, and who have successfully completed a rigorous high school program (as determined by the state or local education agency and recognized by the Secretary of Education). Second year students must have maintained a cumulative grade point average of at least 3.0. The program will be available for the first time for the 2006-2007 academic year for first year students who graduated from high school after January 1, 2005. The Academic Competitiveness Grant award is offered in addition to the student’s Pell Grant Award and is based on need. Additional information regarding this program can be found at [http://studentaid.ed.gov](http://studentaid.ed.gov).

**National Science and Mathematics Access to Retain Talent Grant (National SMART Grant)**

This newly created federal need-based grant program will provide up to $4,000 for each of the third and fourth years of undergraduate study to full-time students who are U.S. citizens, eligible for a Federal Pell Grant, and majoring in physical, life, or computer sciences, mathematics, technology, or engineering or in a foreign language determined critical to national security. The student must also have maintained a cumulative grade point average of at least 3.0 in coursework required for the major. The program will be available for the first time for the 2006-2007 school year and is offered in addition to the student’s Pell Grant award and is based on need. Additional information regarding this program can be found at [http://studentaid.ed.gov](http://studentaid.ed.gov).

**Federal Supplemental Educational Opportunity Grant (FSEOG)**

**Selection of Recipients and Allocation of Awards**

The applicant must be 1) in exceptional financial need and 2) pursuing a first bachelor’s degree.

**Award Schedule**

Awards range from $100 to $1,000, and are made on a funds-available basis. Priority is given to Pell Grant recipients. In addition, students must apply by the priority deadline to be considered. Contact the Office of Student Financial Aid Services for further details.

**Federal Perkins Loan**

**Selection of Recipients and Allocation of Awards**

At Stony Brook, Federal Perkins Loans are available to matriculated students enrolled at least half time as graduate or undergraduate degree candidates. Awards are made on a funds-available basis. Students must apply by the priority deadline to be considered. Contact the Office of Student Financial Aid Services for further details.

**Award Schedule**

Annual loan limits are established at $4,000 for undergraduate students and $6,000 for graduate students. The maximum amounts that may be borrowed are $20,000 as an undergraduate and $40,000 for graduate and undergraduate study combined.

Actual Federal Perkins Loans are limited based on annual allocations and collections, and presently average $1,500 per year at Stony Brook.

**Repayment**

The current interest rate, payable during the repayment period, is 5 percent on the unpaid principal. Repayment begins nine months after the last date of enrollment and may extend over a period of ten years. Payment may be extended over an additional ten-year period for certain low-income students, and may be deferred for up to three years for certain categories of borrowers. Information on loan cancellation provisions for borrowers who go into certain fields of teaching or specified military duty is available through the Office of Student Financial Aid Services.

**Federal Work-Study Program (FWS)**

**Selection of Recipients and Allocation of Awards**

The FWS program provides part-time employment to undergraduate and graduate students who need the income to help meet the costs of postsecondary education.

Stony Brook University strives to make employment reasonably accessible to all its eligible students who have financial need. In the event that more students are eligible for FWS than there are funds available, preference is given to students who applied by the priority deadline. (Contact the Office of Student Financial Aid Services for further details.)

**Award Schedule**

The Office of Student Financial Aid Services assists recipients of a FWS award by conducting a job fair during the first week of classes in the fall semester. Students may also use the SOLAR System to locate and secure employment on campus. Students may work up to 20 hours each week. Hourly wage rates are variable and currently range from $7.05 to $15.38 per hour for undergraduate students.

Students interested in participating in Stony Brook’s Community Service Program, a program that provides students with the opportunity to serve the public interest while earning Federal Work-Study wages, should contact the Office of Student Financial Aid Services.

**Federal Family Education Loan Program (FFEL) Subsidized and Unsubsidized Federal Stafford Loans**

**Selection of Recipients and Allocation of Awards**

Stafford Loans are either subsidized or unsubsidized.

- A subsidized loan is awarded on the basis of financial need. The federal government pays interest on the subsidized loan until the student begins repayment.
- An unsubsidized loan is not awarded on the basis of need. The student is charged interest from the time the loan is disbursed until it is paid in full. If the student allows the interest to accumulate, it will be capitalized (i.e., the interest will be added to the principal amount of the loan and will
increase the repayment total. If the student pays the interest as it accrues on a monthly basis, the total of principal plus interest repaid will be lower. To be eligible for a Federal Stafford Loan, a student must be enrolled at least half time in an approved program of study.

Loan Schedule

Please visit the Stony Brook University Financial Aid Web site for information about annual and aggregate Stafford limits: http://www.stonybrook.edu/financialaid.

Repayment of Subsidized Loans

A student may borrow at a relatively low interest rate with no repayment as long as he or she remains enrolled at least half time, and for six months after he or she ceases to be at least a half-time student. Interest does not accrue on this loan during periods of enrollment or the grace period. The federal government pays the interest for the student during this time period. Payment of principal may be deferred for up to three years for certain categories of borrowers.

The following regulations governing repayment apply:

• Depending on the amount of the loan, the minimum monthly payment will be $50 plus interest. Under unusual and extenuating circumstances the lender may, on request, permit reduced payments.

• The standard repayment period is between ten and 25 years, depending on the amount owed and payment plan selected.

• Repayment in whole or part may be made at any time without penalty.

Repayment of Unsubsidized Loans

The terms of the unsubsidized loan are the same as those for the subsidized loan (see above), except that the federal government does not pay the interest on this loan. The student is responsible for paying all of the interest that accrues on the loan while in school, during the grace period, and during any periods of deferment or repayment.

Federal PLUS Loan

This loan is available to parents of financially dependent undergraduate students. FPLUS loans for which the first disbursement was made on or after July 1, 1993, have no annual or aggregate limits. Borrowing is based on cost of educational minus aid. Repayment begins within two months of receipt of the loan.

NEW YORK STATE PROGRAMS

Note: Where any question of eligibility exists, the student or prospective student should contact New York State Higher Education Services Corporation (HESC) at (888) NYS-HESC.

Tuition Assistance Program (TAP)

Application Procedures

To apply for TAP, students should begin by completing the Free Application for Federal Student Aid (FAFSA). Students who file the FAFSA electronically (http://www.fafsa.ed.gov) will be able to link to the online TAP application at the end of the FAFSA session. If the student missed the NYS link, or filed a paper FAFSA, they can go to “Anytime TAP on the Web” at http://www.hesc.org to complete the application process.

HESC determines the applicant’s eligibility and mails an award certificate directly to the applicant indicating the amount of the grant.

Requirements and Responsibilities of Recipients

To receive an award through the Tuition Assistance Program, the applicant must:

1. Be a New York State resident and a U.S. citizen, permanent resident alien, parolee, or conditional admittee to the United States; 2) be enrolled full time and matriculated in an approved New York State postsecondary institution and program; 3) be charged a tuition of at least $200 per year; and 4) declare a major by the first day of class of his or her junior year.

In addition, the New York State Education Department has issued academic guidelines governing eligibility for the Tuition Assistance Program. Under these regulations, students must meet minimum academic achievement requirements to receive payment of awards.

According to these regulations, good academic standing consists of two elements:

1. Satisfactory academic progress—A requirement that a student accumulate a specified number of credits and achieve a specified grade point average each term of an award.

2. Pursuit of program—Satisfactory academic program pursuit is defined as receiving a passing or failing grade in a certain percentage of a full-time course load in each term for which an award is received. The percentage increases from 50 percent of the minimum full-time course load in each term of study in the first year for which an award is received, to 75 percent of the minimum full-time course load in each term of study in the second year for which an award is received, to 100 percent of the minimum full-time course load in each term thereafter.

A student who does not meet these minimum standards for any one semester will be ineligible to receive an award payment for the following semester. However, a waiver of the minimum achievement standards may be granted under certain extenuating circumstances. Students who do not meet the requirements will receive notification in the mail as to their next
appropriate course of action.

“Independent” Student Status

The designation of independent status for TAP applicants refers only to whether or not a student is required to report parental income and is contingent upon the following criteria. Applicants must be:

1. 35 years of age or older on June 30; or
2. 22 years of age but under 35 on June 30, and not:
   a. a resident in any house, apartment, or building owned or leased by parents for more than six consecutive weeks; or
   b. claimed as a dependent by parents on their federal or state income tax returns; or
   c. a recipient of gifts, loans, or other financial assistance in excess of $750 from parents; or
3. under 22 years of age on June 30, and meeting all other requirements listed in 2, above, and additionally able to meet at least one of the following requirements:
   a. both parents deceased, disabled, or incompetent; or
   b. receiving public assistance other than Aid to Families with Dependent Children (AFDC) or food stamps; or
   c. ward of a court; or
   d. financially independent due to the involuntary dissolution of the student’s family, resulting in relinquishment of parental responsibility and control; or
   e. married on or before December 31 of the year preceding the academic year for which application is made; or
   f. enrolled as a graduate student; or
   g. received a TAP award as a financially independent student in the academic year preceding that for which application is made; or
4. honorably discharged from military service, regardless of age.

Note: Independent status under the state definition for the Tuition Assistance Program does not necessarily ensure independent status for federal aid programs. See “Emancipated’ or ‘Independent’ Student Status.”

Selection of Recipients and Allocation of Awards

The Tuition Assistance Program is an entitlement program for those NY State residents who meet the eligibility rules. Undergraduate students may generally receive TAP awards for four years of study; students enrolled in approved five-year programs or in a state-sponsored opportunity program may receive undergraduate awards for five years. Graduate students may receive awards for four years. No student (including EOP/AIM students) may receive awards for more than a total of eight years of undergraduate and graduate study.

Award Schedule

The amount of the TAP award is scaled according to level of study, tuition charge, and net taxable income (taken from the New York State tax return[s] filed in the year previous to the academic award year). All income data are subject to verification by the New York State Department of Taxation and Finance. Currently, awards at Stony Brook for undergraduate study range from a minimum of $500 to a maximum of $4,375 per academic year.

Aid for Part-Time Study Program (APTS)

The aid for Part-Time Study Program provides grant assistance for eligible part-time students enrolled in approved undergraduate studies. Awards provide up to $2,000 per year and cannot exceed tuition charges.

Application Procedures

The student must complete an Aid for Part-Time Study application and submit it to the Office of Student Financial Aid Services by the last day of the add/drop period for the semester in which he or she is seeking an award. Signed photocopies of New York State tax returns from the base year (i.e., the year previous to the academic year: 2006 tax returns for the 2007-2008 academic year) must be submitted with the application.

Requirements and Responsibilities of the Recipient

Applicants must: 1) be working toward an undergraduate degree or enrolled in a registered certificate program; 2) enroll as a part-time student for a minimum of three credits, but less than twelve; 3) maintain good academic standing; 4) be a resident of New York State; 5) be either a U.S. citizen, permanent resident alien, or refugee; 6) meet the income limits (see below); 7) not have used up Tuition Assistance Program (TAP) eligibility; 8) have a tuition charge of at least $100 per year; and 9) not be in default of a Federal Family Education Loan.

Selection of Recipients and Allocation of Awards

Awards are made to applicants who meet the criteria in the preceding section and are determined to have financial need according to the following formula:

1. The family income (i.e., net taxable income of student and parents) of students who were claimed as tax dependents by their parents in the base year must not exceed $50,550.
2. The family income (i.e., net taxable income of student and spouse) of independent students with no tax dependents cannot exceed $34,250.
3. The family income (i.e., net taxable income of student and spouse) of independent students with tax dependents (not including the student and spouse) must not exceed $50,550.

Award Schedule

APTS awards cannot exceed the cost of tuition and are determined each semester by dividing the total program allocation by the number of qualified applicants who complete the application process by the deadline.

Educational Opportunity Program (EOP)

Educational Opportunity Program (EOP) funds are allocated on the basis of need to undergraduate students enrolled in Stony Brook’s Advancement on Individual Merit (AIM) Program. The AIM program provides an opportunity to attend college for capable students who have not had the same opportunity as others to realize their academic potential because of limited financial resources and inadequate academic preparation. To be admitted to the Uni-versity through the AIM program, the applicant’s high school academic performance must have been below the level normally used to determine admission to the University. In addition, the applicant must meet financial eligibility guidelines established by New York State and Stony Brook University.

A student who is admitted to the University through the AIM program is offered financial and personal counseling and is eligible to receive a range of aca-
demic support services. These services include tutoring, special academic advising, skills improvement activities, and special development classes and programs. At the same time, these students participate fully in all campus academic and social activities. Many students who enter complete a bachelor’s degree program, and many continue their education in graduate and professional schools throughout the country.
