The minor in Interdisciplinary Arts provides an interdisciplinary and collaborative perspective on the fine and performing arts. The minor is designed to explore the factors that unify the arts in modern culture and society. The Interdisciplinary Arts minor is also for students who would like to gain insight into the arts or to broaden their involvement in and knowledge of these exciting fields. It is designed primarily, but not exclusively, for residents of Sanger College who wish to add an academic dimension to their residential experience.

The minor in Interdisciplinary Arts serves as an excellent complement to any academic major and broadens the scope and depth of majors in Art, Cinema and Cultural Studies, English, Music, and Theatre Arts.
