Financial Information
Students are responsible for reviewing, understanding, and abiding by the University’s regulations, procedures, requirements, and deadlines as described in official publications, including this Undergraduate Bulletin, the Student Handbook, and class schedules.

Charges are posted to the student's account at the time of registration. It is the student’s responsibility to pay his or her student account after registration. Billing statements will be sent to the student with a due date for full payment or for joining the optional payment plan. All tuition, fees, and charges must be paid by the due date, regardless of whether a billing statement has been received. Student accounts can be viewed and balances paid by credit card or check on the SOLAR System Web site.

Failure to satisfy this financial obligation by the due date of the billing statement will result in late fees, and will prevent students from receiving transcripts, diplomas, and certifications, and from registering for future semesters. Nonpayment does not constitute official withdrawal, which must be done through the Registrar’s Office. Failure to attend classes will not relieve students of their financial obligation or entitle students to a refund. The date of official withdrawal determines eligibility for any refunds in accordance with the schedule found under Refund of Tuition. All tuition, fees, and charges are current as of September 2008 and are subject to change without notice.

Payment of Fees and Charges

It is the student’s responsibility to pay his or her student account after registration. After enrolling for classes for the fall and spring semesters, all students will be sent a billing statement for tuition and fees with instructions for making payments by mail, in person, or via the online SOLAR System at http://www.stonybrook.edu/solarsystem. All tuition, fees, and charges must be paid by the due date. During the Summer Session, payment of tuition and fees is due within seven days after enrollment. Winter Session billing information is available online at http://www.stonybrook.edu/winter/wtrmoney.html.

Tuition, fees, and other University charges assessed on each fall and spring billing statement will be due in full by the due date appearing on the statement. University fall and spring billing statements are sent to the student’s home address. Students should confirm that their home address is accurate in their SOLAR System account. Students can check and pay their account balance for each term or session through SOLAR. Students must have proof of anticipated financial aid, waivers, or scholarships to properly defer payment. Without satisfactory evidence to defer, students are expected to pay charges themselves and wait for reimbursement when the financial aid, waiver, or scholarship funds are actually received. Students have the option to enroll on the Solar System in the Time Option Payment Plan (TOPP) while waiting for the financial aid package to be completed. Students should apply early for any financial aid.

Payments made by check or money order must be made payable to Stony Brook University and sent to P.O. Box 619, Stony Brook, NY 11790. Any returned payments are subject to a $20 handling fee and may be subject to a $40 late payment fee. Payments made by return mail should include the top portion of the statement (to ensure proper credit to the account), and should be sent in the return-addressed envelope provided with the bill. Mailed payments must be postmarked by the due date to avoid the late payment fee. Students are encouraged to pay by using the SOLAR System or by mail. All payments should include the student’s Stony Brook ID number for prompt and proper credit.

Payment may also be made with Visa, MasterCard, Discover, and American Express. Payment with a credit card or check may be made using the SOLAR System at http://www.stonybrook.edu/solarsystem.

Students registering on or after the first day of classes are required to pay a late registration fee of $40. The late registration period ends at the close of the second week of classes.

Failure to pay the amount due on fall and spring semester bills by the billing due date will result in an automatic assessment of the incremental late payment fee of $40. Incremental late payment fees, up to a total of $150 per semester, will be assessed on all accounts not completely paid by the due dates indicated on each successive account statement. Students should apply early for any financial aid in order to have their account paid before the University billing due dates. Late fees will not be removed because of pending financial aid.

Failure to pay Summer Session charges within seven days after enrollment will result in a deferred payment fee of $30 per session. Unpaid Summer Session charges are subject to additional late payment fees. A schedule of the assessment of these fees is available at the Summer Session Web site at http://www.stonybrook.edu/summer/money/index.html.

The Student Accounts Office offers a Time Option Payment Program (TOPP). This program allows for the budgeting of expenses on a monthly basis. This is not a loan of any sort; therefore, no interest is charged. There is a semester processing fee to help defray the administrative expenses of the program. For further information please go to http://www.stonybrook.edu/bursar or contact the Student Accounts Office at (631) 632-2455. The TOPP program is not available for the summer sessions.

Students failing to meet their financial obligations incurred at Stony Brook are not eligible to continue at the University or participate in room selection. No student may receive a degree, certificate of completion, or transcript until all charges due to the University or any of its related divisions are paid in full. Delinquent accounts will be transferred to private collection agencies and/or the New York State Attorney General’s Office for collection, and are subject to additional interest and/or collection charges.

Anticipated Aid

Students receiving awards provided by the State of New York, managed by the University, or payable to the University, may utilize deferment equal to the amount of the award. Documented proof of the amount of the award must be presented at the time of payment for the deferment to be applied to the account (only current awards are deferrable).

Deferment may be granted to students for the following types of awards:

1. Tuition Assistance Program: All New York State residents are encouraged to file for Tuition Assistance Program (TAP) awards. Students should apply for TAP awards at the earliest possible date, preferably no later than June 10, if they expect to receive award certification from TAP prior to the beginning of classes in the fall. Students are reminded that failure to file an application in a timely manner can preclude their receiving award credit or deferment.

2. Academic Competitiveness Grant (ACG), Federal Perkins Loan, Federal Stafford and PLUS loans, Federal Supplemental Educational Opportunity Grant (SEOG), Federal Pell Grants, and National Science and Mathematics Access to Retain Talent (SMART): Students who have filed applications prior to the specified deadlines and who qualify for these awards will receive award notification from the Office of Financial Aid and Scholarship Services prior to registration. Offered awards can be accepted.
3. Veterans Educational Benefits: The Office of Veterans Affairs offers deferments to eligible students based on their anticipated receipt of V.A. educational assistance. The deferments allow students to postpone payment of all or part of their tuition charges and fees until the end of the semester for which the charges are incurred. Students wishing to obtain a deferment should obtain a bill covering all current charges from the Student Accounts Office before coming to the Office of Veterans Affairs to request a deferment.

4. Office of Vocational Rehabilitation: Deferment based on Office of Vocational Rehabilitation benefits may be obtained by presentation of an award letter or a voucher from the Office of Vocational Rehabilitation indicating the amount of the award and period covered. All such letters and vouchers must be accompanied by a Tuition Assistance Program Award Certificate, if applicable, and submitted to the Student Accounts Office.

5. Private, Public, or Industrial Scholarships, Grants, Internships, and Loans (including Foreign Student Government Scholarships and Vocational Rehabilitation Grants): All students who can present notification of awards payable to the University, or jointly payable to the University and the student in the above categories, are eligible for a deferment equal to the amount of the award. In cases where the award is payable to the University and the student, the student will be required to submit a copy of the award letter to the Student Accounts Office to receive deferment.

6. New York Higher Education Services Corporation Loans (NYHESC): After filing the required loan forms, the student will receive the Notice of Loan Guarantee from Albany.

Deferment will be automatically applied to each student’s account.

Refund Policy

All requests for refunds must be submitted in writing to the following address:

Refunds, Student Accounts Office 254 Administration Building Stony Brook University Stony Brook, NY 11794-1301

Refund of Pre-Enrollment Tuition Deposits

Each new student is required to pay an advance tuition deposit of $100. Deposits are due by the date indicated on the deposit card, which is sent in the students’ Admissions Packet. Deposits are applied to charges incurred by the student in the first semester. Requests for refunds will be granted under the following conditions:

1. A request for a refund of the tuition deposit must be made in writing to the Student Accounts Office and received by the date printed on the deposit card or 30 days after the offer of admission, whichever is later.

2. If enrolled in another SUNY school, a student must provide satisfactory proof of such enrollment to the Student Accounts Office.

After the first day of classes, pre-enrollment tuition deposits will be forfeited.

Refund of Housing Deposits

Each student is required to pay a $200 room deposit when requesting a future room assignment; this deposit will be applied to the housing charges. A request for refund of the room deposit must be made in writing to the Division of Campus Residences (by August 15th for the fall semester and by January 15th for the spring semester). Students not receiving an assignment within 30 days of deposit will have until notification of assignment to request a refund. After the first day of classes, housing deposits will be forfeited.

Refund of Tuition

Students who withdraw from the University or decrease their academic load are liable for payment of tuition in accordance with the following schedules:

Certification of the effective date of withdrawal must be made by the Registrar’s Office.

More information can be found in the University’s Refund Policy publication, available in the Student Accounts Office.

No money shall be refunded for tuition unless application for a refund is made within one year after the end of the term for which the tuition requested to be refunded was paid to the State University.

Refund of Registration-Related Fees

During the period of zero percent liability, refunds will be processed for registra-
tion-related fees, such as the comprehensive fee, student activity fee, and specific course fees, such as engineering or physical education laboratory fees. After zero percent liability, all fees are due in full.

Students who register for courses and who do not file the appropriate withdrawal or do not drop before the end of the fourth week of classes are liable for their full charges.

Refund of Room Fee
When occupancy levels are at or above 100 percent capacity, residents wishing to cancel their housing will be billed a pro-rated portion of their housing fees through the end of the week in which they last occupied a space in the residence halls.

More importantly, should the total occupancy in the residence halls fall below 100 percent of utilization, students who cancel their housing assignment after the start of the semester will be responsible for the full cost of room rent for the semester. No pro-rations of room rent will be offered.

Refund of Student Activity Fee
As determined by the Undergraduate Student Government and the Graduate Student Organization, full refunds of the student activity fee will be granted if the student withdraws during the first week of classes. No refunds will be granted for withdrawals after the first week of classes.

Refund of Meal Plan Fee
Students who withdraw from the University or who wish to cancel their meal plan because they have moved off campus or to a building/area designated as a cooking area must notify the Meal Plan Office either in writing or in person. Students cancelling their meal plans who fail to contact the Meal Plan Office will be charged the full amount of the meal plan. All credits are prorated.

For more up-to-date information, refer to the meal plan brochure, consult the Web at http://www.campusdining.org, or call or visit the Meal Plan Office, Suite 250, Student Union, (631) 632-6517.

Refund of College Fee, Late Registration Fee, and Lost Campus Card Fee
These fees are not refundable.

Refunds Caused by Overpayment or Processing Errors
Refunds of amounts paid will be made when a student overpays his or her tuition and fees provided the student has made a written request to the Student Accounts Office within one year after the end of the term that the money was paid to the University. Overpayments by credit card payments will be processed as credit card refunds.

Other Expenses

Food
All resident students will be enrolled in a Resident Meal Plan unless they have previously completed two semesters of study at Stony Brook and reside in a designated cooking area. Failure to select a dining option will result in an enrollment in the Silver Meal Plan (Meal Plan 2). All students who reside in residence hall areas designated as mandatory meal plan areas must enroll in a Resident Meal Plan regardless of class status or tenure at Stony Brook. All meal plans are annual.

Students who wish to cancel their meal plans should see the section “Refund of Meal Plan Fee” in the “Financial Information” section of this Bulletin.

For more up-to-date information, refer to the meal plan brochure, or call or visit the Meal Plan Office, Suite 250, Student Union, (631) 632-6517. Similar plans will be offered in coming years, but prices cannot be predicted. It is expected, however, that future price ranges will not vary greatly from those now in effect.

Food Service
Campus Dining Services serves the Stony Brook community daily with a wide variety of cuisines. Currently there are nine dining locations. These include three resident locations: Campus Connection @ H-Quad, Kelly Dining Center, and Roth Food Court. At the center of campus, options include the Student Activities Center, the Bleacher Club, and the Union Deli. Travel Expenses
The average estimated expense is $500 for nine months on campus for a student living in a residence hall. The average estimated expense is $2,550 for nine months for a student residing with parents and commuting to the campus. These amounts are also used for computing the basic student aid budget.

International Academic Program Expenses
Students who participate in SUNY International Academic Programs pay the normal SUNY tuition. They must also pay round-trip transportation and housing costs. Programs in some countries also carry a program fee to cover exceptional administrative expenses. The costs of studying abroad do not usually exceed those of studying as a resident student at Stony Brook.

Off-Campus Housing Service
The Off-Campus Housing Office provides information concerning rentals of rooms, apartments, and housing within a 15-mile radius of the University. All landlords listing property with the University must sign a statement assuring nondiscriminatory practices; listings do not become available until such assurance is received. The Off-Campus Housing Office and the University may not become parties to landlord-tenant disputes. The average price per month for a furnished room is $400 to $500. Kitchen privileges are most often included in this price. Rooms available in houses rented...
Financial Aid

The Office of Financial Aid and Scholarship Services administers several federal and state programs that provide funds to assist eligible students in pursuing their academic goals. These programs are the Academic Competitiveness Grant (ACG), Federal Perkins Loan, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study (FWS), and Educational Opportunity Program (EOP). The office also manages the Federal Pell Grant, Federal Stafford and PLUS Loan Programs, the New York State Tuition Assistance Program (TAP), the National Science and Mathematics Access to Retain Talent Grant (SMART), and the New York State Aid for Part-Time Study (APTS) Program. These programs are described below, together with other sources of state and federal assistance for which prospective students might qualify while attending Stony Brook.

The basic applications for programs administered by the Office of Financial Aid and Scholarship Services are the Free Application for Federal Student Aid (FAFSA), the Express Tuition Assistance Program Application (ETA), and the Aid for Part-Time Study (APTS) application. Application forms and information about application guidelines and deadlines are available at the Office of Financial Aid and Scholarship Services, 180 Administration Building, (631) 632-6840, or on the financial aid web site at http://www.stonybrook.edu/financialaid.

Note: The ETA is available to the student after filing the FAFSA; please see the New York State Programs section for further information about the application process for a Tuition Assistance Program (TAP) Grant.

Students should be aware that the University will implement all changes in standards and/or policies that are prescribed by the federal and state regulations governing financial aid administration.

FEDERAL PROGRAMS

Application Procedures

Students may apply for funding through the federal programs in one of the following ways:

- Complete an electronic FAFSA via Internet at http://www.fafsa.ed.gov
- Complete and mail a paper FAFSA to the federal processor

Upon filing, the applicant will receive a document known as the Student Aid Report (SAR), which indicates his or her Expected Family Contribution (EFC). This EFC is used to determine the applicant’s eligibility for one or more of the federal programs.

The information contained in the SAR will be transmitted electronically to Stony Brook if the applicant included the institution’s Title IV School Code (002838) on the FAFSA. This information is necessary before a financial aid award package can be provided to the student. The Office of Financial Aid and Scholarship Services notifies each student once their award package has been completed. Students can accept their awards online, in real time, using the SOLAR System.

If the student’s application is selected for verification, he or she will be requested to provide additional documentation to substantiate the accuracy of the information filed on the FAFSA. This documentation must be compared to the SAR data and corrections made if necessary. The Office of Financial Aid and Scholarship Services must be in receipt of the data from a correct and valid SAR before payment of awards can be made.

Requirements and Responsibilities of Recipients

To receive financial assistance through any of the federal programs, the student must: 1) be a citizen, permanent resident alien, or other eligible resident of the U.S.; 2) be matriculated into a degree program; 3) register with Selective Service, if required; and 4) not owe refunds of any awards made previously through one or more of the federal programs, or be in default on repayment of any student loan.

Before receiving payment, the student must sign a statement of educational purpose confirming that all money received will be used for the costs of postsecondary education only (i.e., tuition, fees, books, and living expenses).

Satisfactory Academic Progress Policy for Federal Financial Aid

Federal regulations specify that academic progress be measured each year (following the spring semester). Eligibility for assistance from the Academic Competitiveness Grant (ACG), Federal Pell Grant, Federal SEOG, Federal Perkins Loan, Federal Work-Study, Federal Stafford and PLUS Loan programs, and the National Science and Mathematics Access to Retain Talent Grant (SMART), is contingent on the student’s good standing. All students must maintain satisfactory academic progress. Students must first meet the University Academic Standing guidelines as defined in the Undergraduate Bulletin. In addition:

1. A full-time undergraduate student in a four-year program must successfully earn a minimum average of 20 credits per year in order to complete his or her program in a maximum of six years.

2. Incomplete (I), No Record (NR), Failure (F), Unsatisfactory (U), No Credit (NC), and Academic Dishonesty (Q) grades do not count as earned credits.

3. If you are a transfer student, the University will count only those transfer credits that apply toward the current program.

4. Quantitative academic standing is reviewed yearly following the spring semester.

a. Federal Financial Aid Warning:
A student’s quantitative satisfactory academic progress standing will be set to “warning” under the following conditions:

i. The student has attended for less than 3 full-time1 years,

ii. The student has taken at least 30 credits, and

iii. The student has not earned a minimum average of 20 credits per year.

b. Federal Financial Aid Probation:

A student’s quantitative satisfactory academic progress standing will be set to “probation” under the following conditions:

i. The prior year’s quantitative satisfactory academic progress evaluation was not already set to “probation” or “unsatisfactory”,

ii. The student has been in attendance at the University for greater than 3 full-time1 years but less than 6 full-time1 years, and

iii. The student has not earned a minimum average of 20 credits per year.

c. Federal Financial Aid Unsatisfactory

If a student’s quantitative satisfactory academic progress is set to “unsatisfactory” the student will be ineligible to receive federal aid for the upcoming academic year and any future year as long as the status remains unsatisfactory. A student’s quantitative satisfactory academic progress standing will be set to “unsatisfactory” under any of the following conditions:

i. The student has been in attendance for 6 or more full-time1 years.

ii. The student has earned more than 180 credits.

iii. The prior year’s satisfactory academic progress quantitative standing was set to “probation” and the student has not earned a minimum average of 20 credits per year.

Procedure for Obtaining a Federal Financial Aid Waiver

1. A student who has exceeded either the maximum time frame (6 full-time years) or the maximum earned credits (180 credits) cannot apply for a waiver.

2. A student who has lost his or her federal aid because they did not earn the minimum average of 20 credits per year may be granted a “one time” SAP (satisfactory academic progress) waiver if the student can document that his or her failure to make progress was a result of extenuating circumstances beyond his or her control. The student must also demonstrate that there is reasonable evidence that he or she will be successful in completing the academic career within the maximum allowable time frame.

3. A student must begin the appeals process by submitting a Satisfactory Academic Progress Waiver form to the Office of Financial Aid and Scholarship Services. The waiver form is available on the financial aid Web site.

4. A student must submit his or her appeal no later than 45 days from the date that the student was notified by the Office of Financial Aid and Scholarship Services of failure to meet the quantitative satisfactory academic progress regulations.

5. The Federal Satisfactory Academic Progress team will review all cases and will notify the students of the appeals decision in a timely manner. If the waiver is approved, the student’s federal financial aid will be reinstated on a probationary basis. If, upon the next annual review, the student does not meet the satisfactory academic progress requirements, all future federal aid will be cancelled. No additional appeals will be accepted.

Further information about academic progress as a condition of federal student aid can be obtained from the Office of Financial Aid and Scholarship Services.

“Emancipated” or “Independent”

Student Status

The designation of independent status refers only to whether or not a student is required to report parental income when applying for financial aid. The University adheres to current federal guidelines for validating the status of a student as independent or emancipated for financial aid purposes.

These guidelines define an independent student as being in one of the following categories:

- 24 years of age or older by December 31 of the award year
- a veteran of the U.S. armed forces
- enrolled in a graduate or professional program (beyond a bachelor’s degree)
- married
- a ward of the court
- having legal dependents other than a spouse

Effective for summer 2009 the following additional criteria may qualify a student to be viewed as independent for federal financial aid purposes:

- Being in foster care when the student was 13 years of age or older
- Student has been deemed an emancipated minor as determined by the court in their state of legal residence
- Student is currently in legal guardianship as determined by a court in their state of legal residence
- If at any time on or after July 1, 2008 the student’s high school or district homeless liaison determined that the student was an unaccompanied youth or was homeless
- If at any time on or after July 1, 2008 the director of an emergency shelter
program funded by the U.S. Department of Housing and Urban Development determined that the student was an unaccompanied youth or was homeless.

- If at any time on or after July 1, 2008 the director of a runaway or homeless youth basic center or transitional living program determined that the student was an unaccompanied youth who was homeless or self-supporting and at risk for being homeless.

**Note:** Independent status under the federal definition does not necessarily ensure independent status for state aid programs. See “Independent Student Status,” page 38.

**Federal Pell Grant**

**Selection of Recipients and Allocation of Awards**

The Federal Pell Grant Program is an entitlement program. Eligibility and award amount are based on need. Financial need is determined by a formula applied to all applicants. The formula was developed by the U.S. Department of Education and is reviewed annually by Congress. The Expected Family Contribution (EFC) is calculated by this formula.

The applicant must be pursuing a first bachelor's degree and enrolled for at least three credits in an approved post-secondary institution.

**Award Schedule**

Fall 2008 and spring 2009 awards range from $890 to $4,731. The award amount will be affected by the cost of attendance at a particular institution, expected family contribution, and the student’s enrollment status. The Pell award is not duplicative of state awards.

**Academic Competitiveness Grant (ACG)**

This newly created federal need-based grant program will provide up to $2,000 for each of the third and fourth years of undergraduate study to full-time students who are U.S. citizens, eligible for a Federal Pell Grant, and majoring in physical, life, or computer sciences, mathematics, technology, or engineering, or in a foreign language determined critical to national security. The student must also have maintained a cumulative grade point average of at least 3.0 in coursework required for the major. The program will be available for the first time for the 2006-2007 school year and is offered in addition to the student’s Pell Grant award and is based on need. Effective July 1, 2009 eligible-non citizens who meet all the other criteria will be eligible to qualify for this grant. Additional information regarding this program including updated qualifying majors can be found at http://studentaid.ed.gov.

**National Science and Mathematics Access to Retain Talent Grant (National SMART Grant)**

This newly created federal need-based grant program will provide up to $4,000 for each of the third and fourth years of undergraduate study to full-time students who are U.S. citizens, eligible for a Federal Pell Grant, and majoring in physical, life, or computer sciences, mathematics, technology, or engineering, or in a foreign language determined critical to national security. The student must also have maintained a cumulative grade point average of at least 3.0 in coursework required for the major. The program will be available for the first time for the 2006-2007 school year and is offered in addition to the student’s Pell Grant award and is based on need. Effective July 1, 2009 eligible-non citizens who meet all the other criteria will be eligible to qualify for this grant. Additional information regarding this program including updated qualifying majors can be found at http://studentaid.ed.gov.

**Federal Work-Study Program (FWS)**

**Selection of Recipients and Allocation of Awards**

The FWS program provides part-time employment to undergraduate and graduate students who need the income to help meet the costs of postsecondary education. Stony Brook University strives to make employment reasonably accessible to all its eligible students who have financial need. In the event that more students are eligible for FWS than there are funds available, preference is given to students who applied by the priority deadline. (Contact the Office of Financial Aid and Scholarship Services for further details.)

**Award Schedule**

The Office of Financial Aid and Scholarship Services assists recipients of a FWS award by conducting a job fair during the first week of classes in the fall semester. Students may also use the...
SOLAR System to locate and secure employment on campus. Students may work up to 20 hours each week. Hourly wage rates are variable and currently range from $7.15 to $16.72 per hour for undergraduates.

Students interested in participating in Stony Brook’s Community Service Program, a program that provides students with the opportunity to serve the public interest while earning Federal Work-Study wages, should contact the Career Center.

Subsidized and Unsubsidized Federal Stafford Loans

Selection of Recipients and Allocation of Awards

Stafford Loans are either subsidized or unsubsidized.

- A subsidized loan is awarded on the basis of financial need. The federal government pays interest on the subsidized loan until the student begins repayment.
- An unsubsidized loan is not awarded on the basis of need. The student is charged interest from the time the loan is disbursed until it is paid in full. If the student allows the interest to accumulate, it will be capitalized (i.e., the interest will be added to the principal amount of the loan and will increase the repayment total). If the student pays the interest as it accrues on a monthly basis, the total of principal plus interest repaid will be lower.

To be eligible for a Federal Stafford Loan, a student must be enrolled at least half time in an approved program of study. The following regulations governing repayment apply:

- Depending on the amount of the loan, the minimum monthly payment will be $50 plus interest. Under unusual and extenuating circumstances the lender may, on request, permit reduced payments.
- The standard repayment period is between ten and 25 years, depending on the amount owed and payment plan selected.
- Repayment in whole or part may be made at any time without penalty.

Repayment of Subsidized Loans

The terms of the unsubsidized loan are the same as those for the subsidized loan (see above), except that the federal government does not pay the interest on this loan. The student is responsible for paying all of the interest that accrues on the loan while in school, during the grace period, and during any periods of deferment or repayment.

Federal PLUS Loan

This loan is available to parents of financially dependent undergraduate students. FPLUS loans for which the first disbursement was made on or after July 1, 1993, have no annual or aggregate limits. Borrowing is based on cost of education minus aid. Repayment begins within two months of receipt of the loan.

• meet New York State residency requirements;
• enroll as a full-time student;
• enroll in an approved program of study in a New York State postsecondary institution;
• be matriculated;
• declare a major by the first day of classes of their junior year
• be in good academic standing; have at least a cumulative "C" average after receipt of two annual payments
• not be in default on any student loan HESC guarantees;
• have a minimum tuition liability of at least $200 per academic year ($100 per semester, $67 per trimester);
• never have received a TAP award for having attained a prior graduate degree at the same level as for the degree currently being sought (applies to graduate students only); and
• not exceed the income limitations established for the program
• Students who first receive aid in:
  a. academic year 1996-97 to academic year 2006-07 must have: a high school diploma, or the recognized equivalent of a high school diploma (e.g., GED), or a passing score as determined by the U.S. Secretary of Education on a federally approved ability-to-benefit test.
  b. academic year 2006-07, must have: a U.S. high school diploma, or the recognized equivalent, or a passing score on a federally approved ability-to-benefit test independently administered and evaluated as provided by the NYS Commissioner of Education.
  c. academic year 2007-08 and thereafter, must have: a U.S. high school diploma, or the recognized equivalent, or a passing score on a federally approved ability-to-benefit test identified by the NYS Board of Regents and independently administered and evaluated by the Commissioner of Education.

Under these regulations, students must meet minimum academic achievement requirements to receive payment of awards.

According to these regulations, good academic standing consists of two elements:

1. Satisfactory academic progress—
   A requirement that a student accumulate a specified number of credits and achieve a specified grade point average each term of an award.

2. Pursuit of program—Satisfactory academic program pursuit is defined as receiving a passing or failing grade in a certain percentage of a full-time course load in each term for which an award is received. The percentage increases from 50 percent of the minimum full-time course load in each term of study in the first year for which an award is received, to 75 percent of the minimum full-time course load in each term of study in the second year for which an award is received, to 100 percent of the minimum full-time course load in each term thereafter.

The chart provides a detailed analysis of the State Education Department’s requirements.

A student who does not meet these minimum standards for any one semester will be ineligible to receive an award payment for the following semester. However, a waiver of the minimum achievement standards may be granted under certain extenuating circumstances. Students who do not meet the requirements will receive notification in the mail as to their next appropriate course of action.

“Independent” Student Status

The designation of independent status for TAP applicants refers only to whether or not a student is required to report parental income and is contingent upon the following criteria. Applicants must be:

1. 35 years of age or older on June 30; or
2. 22 years of age but under 35 on June 30, and not:
   a. a resident in any house, apartment, or building owned or leased by parents for more than six consecutive weeks; or
   b. claimed as a dependent by parents on their federal or state income tax returns; or
   c. a recipient of gifts, loans, or other financial assistance in excess of $750 from parents; or
3. under 22 years of age on June 30, and meeting all other requirements listed in 2, above, and additionally able to meet at least one of the following requirements:
   a. both parents deceased, disabled, or incompetent; or
   b. receiving public assistance other than Aid to Families with Dependent Children (AFDC) or food stamps; or
   c. ward of a court; or
   d. financially independent due to the involuntary dissolution of the student’s family, resulting in relinquishment of parental responsibility and control; or
   e. married on or before December 31 of the year preceding the academic year for which application is made; or
   f. enrolled as a graduate student; or
   g. received a TAP award as a financially independent student in the academic year preceding that for which application is made; or
4. honorably discharged from military service, regardless of age.

Note: Independent status under the state definition for the Tuition Assistance Program does not necessarily ensure independent status for federal aid programs. See “Emancipated” or “Independent” Student Status.”

Selection of Recipients and Allocation of Awards

The Tuition Assistance Program is an entitlement program for those NY State residents who meet the eligibility rules.

Undergraduate students may generally receive TAP awards for four years of study; students enrolled in approved five-year programs or in a state-sponsored opportunity program may receive undergraduate awards for five years. Graduate students may receive awards for four years. No student (including EOP/AIM students) may receive awards for more than a total of eight years of undergraduate and graduate study.

Award Schedule

The amount of the TAP award is scaled according to level of study, tuition charge, and net taxable income (taken from the New York State tax return[s] filed in the year previous to the academic award year). All income data are subject to verification by the New York State Department of Taxation and Finance.

Currently, awards at Stony Brook for
undergraduate study range from a minimum of $500 to a maximum of $4,375 per academic year.

**Part-Time TAP Program**

Part-time students at approved schools in New York State who were first-time, full-time freshmen in 2006-07 may be eligible for Part-Time TAP to help them pay for college beginning in 2007-08. Part-Time TAP is a grant and does not have to be paid back. Part-Time TAP is not the same as Aid for Part-Time Study.

**Student Eligibility**

To be eligible for Part-Time TAP, a student must:

- Be a first-time freshman in the 2006-07 academic year or thereafter
- Have earned 12 credits or more in each of the two consecutive semesters, for a minimum total of 24 credits earned
- Maintain a minimum of a “C” average
- Be a United States citizen or eligible noncitizen
- Be a legal resident of New York State
- Have graduated from high school in New York State who were first-time, independent students with tax returns from the base year (i.e., the year prior to the academic year; 2006 tax returns for the 2007-2008 academic year) must be submitted with the application.

**Requirements and Responsibilities of the Recipient**

Applicants must: 1) be working toward an undergraduate degree or enrolled in a registered certificate program; 2) enroll as a part-time student for a minimum of three credits, but less than twelve; 3) maintain good academic standing; 4) be a resident of New York State; 5) be either a U.S. citizen, permanent resident alien, or refugee; 6) meet the income limits (see below); 7) not have used up Tuition Assistance Program (TAP) eligibility; 8) have a tuition charge of at least $100 per year; and 9) not be in default of a Federal Family Education Loan.

**Selection of Recipients and Allocation of Awards**

Awards are made to applicants who meet the criteria in the preceding section and are determined to have financial need according to the following formula:

1. The family income (i.e., net taxable income of student and parents) of students who were claimed as tax dependents by their parents in the base year must not exceed $50,550.
2. The family income (i.e., net taxable income of student and spouse) of independent students with no tax dependents cannot exceed $34,250.
3. The family income (i.e., net taxable income of student and spouse) of independent students with tax dependents (not including the student and spouse) must not exceed $50,550.

**Award Schedule**

APTS awards cannot exceed the cost of tuition and are determined each semester by dividing the total program allocation by the number of qualified applicants who complete the application process by the deadline.

**Educational Opportunity Program (EOP)**

Educational Opportunity Program (EOP) funds are allocated on the basis of need to undergraduate students enrolled in Stony Brook’s Advancement on Individual Merit (AIM) Program.
Requirements and Responsibilities of Recipients

The student must be matriculated and enrolled for a minimum of six credit hours per semester. Participants must be in good academic standing. Good academic standing is determined by the campus and is defined as not being on academic probation.

Participants are required to apply first for all available financial aid (FAFSA). Proof of application must be presented to DMNA.

Selection of Recipients and Allocation of Awards

The Education Incentive Program allows an eligible guard or militia member to receive tuition assistance equal to the amount of tuition costs remaining after all other student aid, except loans, is applied against the undergraduate in-state annual tuition of SUNY institutions up to $3,400 per academic year.

Award Schedule

The voucher amount is the current cost of tuition (excluding the college fees) at the institution minus any grants received through the Federal Pell Grant, New York State TAP, New York State Aid for Part-Time Study, ACEs (Army Continuing Education System) program or other types of grants/programs. Benefits received under the Montgomery G.I. Bill Act of 1984 shall not be considered educational aid for purposes of this program.
