

# ARB

---

## Arabic

---

### **ARB 111 Elementary Arabic I**

An introduction to Modern Standard Arabic, stressing speaking, comprehension, reading and writing. Selected texts are read. Practice in the language laboratory supplements class work. No student who has had two or more years of Arabic in high school (or who has otherwise acquired an equivalent proficiency) may receive credit for ARB 111 without written permission from the supervisor of the course.

*3 credits*

### **ARB 112 Elementary Arabic II**

An introduction to Arabic, stressing speaking, comprehension, reading and writing. Selected texts are read. Practice in the language laboratory supplements class work.

*Prerequisite:* ARB 111

*3 credits*
