## Externships

### **EXT 288 Internship**

Internships are work-learning arrangements. These supervised, career-related work experiences, combined with reflection that relates the work to academic study, help students “learn by doing.” A sponsored internship with an off-campus organization or on-campus agency gives students an opportunity to learn how to effectively apply their university studies to work in professional settings and explore untested areas of work experience. Internships must be sponsored by a faculty member. As with established guidelines for EXT 488 internship, a request for approval of the Career Center Internship Manager must be submitted no later than two days prior to the last day of the add period as scheduled in the academic calendar. Course is not repeatable.

*Prerequisites:* Minimum g.p.a. 2.5; one prior semester of attendance at Stony Brook; completion of DEC A, first course; acceptance by a faculty sponsor; permission of appropriate department and the Career Center Internship Manager

*0-3 credits, S/U grading*
