Beckman Scholars Program at SBU

II. (Continued) Research Summary / Statement.

Describe the research project that you plan to become involved in while working in the lab of your Beckman faculty mentor during summer 2008, academic year 2008-2009, and summer 2009, if selected for the program. The project description/proposal should be written entirely by the applicant, in consultation with the proposed Beckman faculty mentor. Clearly state the goals of the project; include reference to work that you may have done already and to the skills you possess that qualify you to carry out the project.

[Please include typed attachment; one page limit]

III. AGREEMENT

I understand that the Beckman Scholars program represents a full-time commitment (10 weeks of full time work/summers 2008 & 2009; 10 hours/week during the academic year 2008-2009).

If accepted, I will commit to doing research in my mentor's lab for two summers and one academic year. I agree to attend Beckman Scholar meetings, provide regular updates/reports, and give presentations/abstracts as required as a condition of this program; and to attend the annual Beckman Foundation symposium held in the summer.

Applicant's Signature _____

CHECKLIST for application packet:

- One-page typed attachment (include name on page) detailing research proposal
- Transcript (unofficial)
- Two letters from faculty—one letter of recommendation and commitment from the faculty who has agreed to supervise your research over the next two summers and academic year; and an additional letter from a faculty member who can comment on your academic and/or research abilities.
Both letters should address the applicant's potential for graduate study, and should be enclosed in a sealed envelope with the faculty's signature across the seal.
- If not a US citizen, proof of permanent residency of the United States.

THE APPLICATION DEADLINE IS FEBRUARY 15, 2008.
