Stony Brook University (SUNY Stony Brook)

Stony Brook, NY
Primarily bachelor’s degree granting
Undergraduate enrollment: 15,837

**Costs**

What does it typically cost to attend SUNY Stony Brook?
The average net price for undergraduate in-state students is $12,700 per year. Net price is what undergraduate students pay after grants and scholarships (financial aid you don't have to pay back) are subtracted from the institution’s cost of attendance.

The average net price has **decreased 5.8%** from 2008 to 2010.

[Click here to go to the Net Price Calculator for a better estimate of what your costs would be.](http://collegecost.ed.gov/scorecard/PrintScoreCard.htm?cgv=23.2&dgv=39.5&w=163&h=81)

**Graduation Rate**

What percentage of students graduate?
69.7% of full-time students received their bachelor’s degree within 6 years and 11.7% transferred to another institution. Graduation rate data are based on undergraduate students who enrolled full-time and have never enrolled in college before. This may not represent all undergraduates that attend this institution.

**Loan Default Rate**

Are students able to repay their loans after they graduate?
5.4% of borrowers defaulted on their Federal student loans within three years of entering repayment.
