ABBREVIATED CERTIFICATION APPLICATION PROCEDURES

CERTIFICATE PROGRAMS: School District Business Leader

1. You must file for graduation in a timely fashion.
   **Please note that filing for graduation and filing for certification are two independent processes. You are required to do both.**

2. Complete the Official Release Form and Required Information Sheet (last two pages) found at the end of this packet. Please send or drop off these forms, along with a $90.00 check or money order made payable to SUNY at Stony Brook, IFR 900085 to:

   Teacher Certification Office
   2321 Computer Science Building, Stony Brook University
   Stony Brook, NY11794-4434  *Include last 4 digits of zip code

   You must access the TEACH online system to apply for your license(s). Follow the instructions on pages 2-4.

3. Print out an unofficial transcript which is available on the SOLAR system <www.stonybrook.edu/solarsystem>. You may apply for your certification before you graduate. However, in order for you to be recommended for certification, your Stony Brook transcript must have your degree posted. You may log onto the SOLAR System at anytime to verify your degree has been posted onto your unofficial transcript and you may log on to TEACH to check if your recommendation has been received by NYSED.

4. You must access the TEACH online system to apply for license(s). Follow the instructions outlined in this packet. Please be certain to read the packet thoroughly. We cannot assist you in correcting any errors.

5. Candidates for all certifications must prove that they have satisfied the Child Abuse Education, the Identification and Prevention of School Violence, and DASA requirement. Students who take these courses outside of Stony Brook must provide proof that these courses were completed. This proof is usually in the form of a statement issued upon completion of an approved course in the above topics. Maintain originals or photocopies for your own records as well.

6. Test scores will be sent directly to NYSED by the Testing Agency and Fingerprints will be sent to the Division of Criminal Justice Services for purposes of initial/professional Certification. There is no need to include these with your application. Be certain that testing requirements for the SDBL have been completed prior to application.

7. You must be fingerprinted before any application for certification will be processed by NYSED. If you have worked in another jurisdiction where fingerprints were required, you can complete an OSPRA 104 form and forward it to that jurisdiction requesting that your fingerprints be transmitted to NYSED (example: You were a former teacher for the NYC Board of Education). The link for this form is: <http://www.highered.nyssed.gov/tcert/ospra/form.htm>.

8. Once your Stony Brook Degree or Advanced Graduate Certificate has been awarded, your authorization paperwork (the last two pages of this packet), associated fees and proof of your required seminars are received, the Teacher Certification Office at Stony Brook will enter a recommendation on your behalf to NYSED through the TEACH System. The State Education Department in Albany will pair this recommendation with your online application, career history and other required online documentation. Once everything is in order and has been reviewed by NYSED, information about your certificate will be communicated to you through the TEACH web site. We encourage you to check the TEACH web site for information prior to contacting NYSED with questions.

   NOTE: The license certificate will be mailed directly from NYSED to you in the name under which you have filed and at the address you note in your online application through TEACH.
