STUDIO ART

Programs:

- Bachelor of Arts in Studio Art
- Minor in Studio Art

Skills You’ll Acquire:

- Analytical and critical abilities
- Drawing, design, and digital media skills
- Ability to relate and communicate visually
- Conceptual and informational organization
- Communication and interpersonal skills
- Creativity skills
- Assessing, evaluating and understanding

Studio art majors concentrate on the creative, technical, and practical aspects of the discipline, acquiring a broad-based background in drawing, design, painting, and sculpture, plus specialized tracks in ceramics, printmaking, photography, and digital and electronic media. Students can develop their visions through a diverse range of materials and media, supplementing traditional methods with the most advanced practices in digital imaging, digital sound and video editing, computer aided modeling, and information visualization. In addition, majors are expected to acquire a sound foundation in art history and criticism with an emphasis on modernism.
