

## **A Wishful Gesture, 2020**

Annemarie Waugh & Tali Hinkis

"A Wishful Gesture" is a peaceful installation of the Three Village Community's support for Black Lives and unity in our nation. We invite people to share wishes of love, peace and hope by placing flowers, plants, paintings, drawings, sculptures and messages in the courtyard at Gallery North. To show your support, please leave your peaceful gestures around the wishbone sculpture on the lawn between Gallery and the Studio at Gallery North beginning Thursday June 4th for one week.
