Opportunities Week of February 1, 2019

**Academic and Transfer Advising Internship:** Currently recruiting undergraduate students who may be interested in participating in a two-semester internship in Academic & Transfer Advising Services for the 2019-2020 academic year. Students must have at least a 3.0 cumulative GPA and will have junior standing (57 credits) by the start of the fall 2019 semester. ATAS Interns earn six upper-division credits, satisfy the EXP+ learning objective, and gain experience in higher education by providing assistance to students, serving as a TA for ADV 101, and participating in various outreach projects and events. The ATAS Internship is an enriching college experience that combines classroom learning and application of that learning. The internship provides outstanding juniors and seniors the opportunity to gain leadership and advising experience, improve personal and professional skills, and explore career aspirations while providing assistance to others.

**Application deadline is Friday, February 22nd at 4 PM.**

For additional information, please encourage students to visit [www.stonybrook.edu/peeradvisor](http://www.stonybrook.edu/peeradvisor).

**English Pal Program:** English Pal is a program for English-speaking and English-learning students! For English-learners it’s about speaking informal English with a friend, and for English-speakers it’s about making a new friend, learning about a new culture, and having fun together! The minimum requirement is to meet just 30 minutes each week!

**Application deadline is February 28th**

To apply, please see [this link](http://www.stonybrook.edu/peeradvisor).

**National Student Exchange:** Study away for a semester at one of our 175 participating universities in the United States of her territories of Guam, Puerto Rico, and the US Virgin Islands, and participating universities in Canada.

**Deadline to apply for Fall 2019 or Spring 2020 exchange is February 14th, 2019.**

For more info, see [https://www.stonybrook.edu/commcms/nse/](https://www.stonybrook.edu/commcms/nse/)

**Rutgers RISE Summer Research Program:** RISE at Rutgers is a nationally acclaimed summer research program for outstanding undergraduates from diverse backgrounds. Scholars participate in 10 weeks of cutting-edge research, with a comprehensive professional development component, including GRE preparation. If you are a high-achieving student, passionate about research, and considering graduate school, then RISE may be for you. Particularly encourage applications from students from underrepresented, disadvantaged, non-traditional or first-generation college backgrounds or who attend schools with limited research opportunities.

For more info, see [https://www.rise.rutgers.edu/](https://www.rise.rutgers.edu/)

**University of Massachusetts Medical School Summer Undergraduate Research Program:** Non-credit, ten-week, structured research experience. The program consists of hands-on laboratory experience with an investigator serving as a mentor, role model and advisor. Program runs May 26th-August 2nd, 2019. The program is designed to provide participants in-depth exposure to actual biomedical research. Participants will develop career-building connections with faculty, postdocs, graduate students, and peers. The program encourages participants to consider biomedical research as a viable career choice. Over 33% of former participants have subsequently pursued MD, PhD or MD/PhD training.

For more info and to apply, see [https://www.umassmed.edu/gsbs/outreach-programs/summer-undergraduate-research-program/apply-now/](https://www.umassmed.edu/gsbs/outreach-programs/summer-undergraduate-research-program/apply-now/)

**SUNY Undergraduate Research Conference (SURC) 2019:** SURC is a multidisciplinary event that brings together undergraduates and faculty mentors from across the state for a full day of activities. Students from all academic disciplines are encouraged to submit proposals to present their original research (oral presentation or poster); creative writing; visual art; music performance and composition; dance choreography; theatrical script, or other work.

**SURC 2019 will be held at SUNY Farmingdale State College on April 26th, 2019.**

For more info, see [https://sunycpd.eventsair.com/QuickEventWebsitePortal/surc2019/surc](https://sunycpd.eventsair.com/QuickEventWebsitePortal/surc2019/surc)

**Microbial Friends & Foes Research Experience for Undergraduates (REU) Summer Program:** The Cornell Institute of Host-Microbe Interactions and Disease is currently accepting applications. The program will run from June 2nd to August 9th, 2019, and will provide training in the concepts and experimental approaches central to understanding microbial interactions with eukaryotic hosts. Studnets
will learn about broad diversity of microbe-eukaryote interactions through conducting independent research projects, participation in weekly research group meetings, seminars by faculty, and a Summer Symposium.

**Application deadline is February 21st, 2019**
For more info, see [http://cihmid.cornell.edu/reu-mff.html](http://cihmid.cornell.edu/reu-mff.html)
