

Art History

[Art History and Criticism](#) majors acquire a thorough foundation in the history of Western art at the introductory level, and may then choose whether to specialize in a certain area, or continue to explore more broadly across different fields and perspectives, from ancient to modern and contemporary, including American, European, Asian and African expressive traditions, including traditional fields of painting, sculpture and architecture, as well as digital technologies, photography and film. We also provide exposure to museum, gallery and curatorial studies through coursework and internships.
