

STONY BROOK UNIVERSITY CAREER CENTER

Asian and Asian American Studies

The B.A. in Asian and Asian American Studies offers an interdisciplinary curriculum for the study of Asian **culture**, **languages** and **diaspora** (i.e. Asian American and Asian migrant experiences). The program at SBU offers both a regional approach and a local approach for studying Asia through a combination of studies in languages, philosophy, history, politics, culture, literatures, linguistics, and more.
