

## French Language and Literature

French is a Romance Language with a rich history, literature, and expression of many cultures. Most recently, it has become an influential language around the world. A major or minor in French Language and Literature (FRN) will make the student experience conversations in the streets of Paris, appreciate the grammar and style of literary geniuses, and get involved with the international French-speaking civilizations. Many countries throughout the world claim French as their national language, including Madagascar, Canada, and Haiti.
