## Global Processes, Connections and Flows

- **January 2019**
  -Faculty Working Groups Submit Concepts

- **March 2019**
  -Quantum Immersion Workshop

- **May 2019**
  -Faculty Working Groups Submit Concepts

- **July 2019**
  -Faculty Working Groups Submit Concepts

- **September 2019**
  -Inaugural Director Appointed for Institute for Globalization Studies

- **November 2019**
  -Call for Global Research Groups

- **January 2020**
  -Environmental Research and Education Center Workshop with SOMAS

- **March 2020**
  -Center for Changing Systems of Power (CCSP) Launched with Inaugural Director
  -Global Social Networks and Information Flow Research Group Call for Participants

- **May 2020**
  -Pivot to COVID-19 response begins with remote instruction and work

- **July 2020**
  -Series of Virtual Town Halls for Social Justice commences to address concerns of our community

- **September 2020**
  -First 30 Students Enroll in BA in Globalization Studies and International Relations
  -CAS Alumna endows the Center for Changing Systems of Power

- **November 2020**
  -Keynote Address and Alumni Career Networking Panel Launches Globalization Studies Major
  -Department of History revises its curriculum

- **January 2021**
  -SUNY Seed grant for Recyclable Plastics

- **March 2021**
  -University submits NIH FIRST FORWARD grant for institutional transformation to diversity faculty in the NIH-funded sciences

## Digital Revolution and Beyond

- **January 2019**
  -Faculty Working Groups Submit Concepts

- **March 2019**
  -Faculty Working Groups Submit Concepts

- **May 2019**
  -Faculty Working Groups Submit Concepts

- **July 2019**
  -Faculty Working Groups Submit Concepts

- **September 2019**
  -I A E 1 0 1 - Introduction to Digital Intelligence Taught for First Time

- **November 2019**
  -Faculty “Speed Dating” Lunches for Digital Intelligence Research Projects

- **January 2020**
  -Legislative Advocacy for Digital Intelligence Program

- **March 2020**
  -CAS Faculty attend WPI VIP workshops for Digital Intelligence

- **May 2020**
  -IAE 101 Introduction to Digital Intelligence enrolls 560 students

- **July 2020**
  -Department of English begins self review and curricular revision at UG/doctoral level

- **September 2020**
  -University NSF Quantum Leap Center Proposal submitted

- **November 2020**
  -University NSF Quantum Leap Center Center Proposal submitted

## Scholarly Creativity and Exploration

- **January 2019**
  -Dr. Michael A. Bernstein Appointed Interim President of Stony Brook University

- **March 2019**
  -Student Enrollments: 12,813 (11,126 undergraduate students; 1,687* graduate students including 402 master’s, 1,295 doctoral, and 84 certificate)

- **May 2019**
  -Faculty Working Groups Submit Concepts

- **July 2019**
  -Five-year center grant totaling $7.5M received from NASA Solar System Exploration Research Virtual Institute (SSERVI)

- **September 2019**
  -Virtual Institute (SSERVI)

- **November 2019**
  -CAS, Journalism and Alda Center Faculty Workshop to Advise on STEAM Communication Curriculum Paths and Research Directions

- **January 2020**
  -Program in Academic English integrated into the Program in Writing and Rhetoric

- **March 2020**
  -Series of Virtual Town Halls for Social Justice commences to address concerns of our community

- **May 2020**
  -CAS Faculty attend WPI VIP workshops for Digital Intelligence

- **July 2020**
  -Program in Globalization Studies integrates with the Program in International Relations

- **September 2020**
  -University NSF Quantum Leap Center Proposal submitted

- **November 2020**
  -I A E 1 0 1 - Introduction to Digital Intelligence enrolls 560 students

## Path to 2030

- **January 2019**
  -Dr. Michael A. Bernstein Appointed Interim President of Stony Brook University

- **March 2019**
  -Student Enrollments: 12,813 (11,126 undergraduate students; 1,687* graduate students including 402 master’s, 1,295 doctoral, and 84 certificate)

- **May 2019**
  -Faculty Working Groups Submit Concepts

- **July 2019**
  -Five-year center grant totaling $7.5M received from NASA Solar System Exploration Research Virtual Institute (SSERVI)

- **September 2019**
  -Virtual Institute (SSERVI)

- **November 2019**
  -CAS, Journalism and Alda Center Faculty Workshop to Advise on STEAM Communication Curriculum Paths and Research Directions

- **January 2020**
  -Program in Academic English integrated into the Program in Writing and Rhetoric

- **March 2020**
  -Series of Virtual Town Halls for Social Justice commences to address concerns of our community

- **May 2020**
  -CAS Faculty attend WPI VIP workshops for Digital Intelligence

- **July 2020**
  -Program in Globalization Studies integrates with the Program in International Relations

- **September 2020**
  -University NSF Quantum Leap Center Proposal submitted

- **November 2020**
  -I A E 1 0 1 - Introduction to Digital Intelligence enrolls 560 students

## COVID-19 Pandemic Response

- **January 2021**
  -Department of English begins self review and curricular revision at UG/doctoral level

- **March 2021**
  -Department of Music begins to review and decolonize its curriculum

- **May 2021**
  -Department Excellence funds raise $400,000 from friends and alumni

- **July 2021**
  -Arts and Sciences Senate revises promotion and tenure external letter language to embody tenure clock stops

- **September 2021**
  -Student Enrollments increase/retention from 2019: 13,177 (11,516 undergraduate students; 1,661* graduate students including 352 master’s, 1,307 doctoral, and 84 certificate)

- **November 2021**
  -Research spaces closed due to COVID-19 pandemic

- **January 2022**
  -More than 40 COVID-19 research studies in CAS, spanning 10 disciplines; more than half in the Department of Psychology

- **March 2022**
  -Virtual Institute (SSERVI)

- **May 2022**
  -Program in Globalization Studies integrates with the Program in International Relations

- **July 2022**
  -SUNY institutes a strict hiring freeze

- **September 2022**
  -85 percent of classes are taught online

- **November 2022**
  -Student Enrollments increase/retention from 2019: 12,813 (11,126 undergraduate students; 1,687* graduate students including 402 master’s, 1,295 doctoral, and 84 certificate)

- **January 2023**
  -Student Enrollments increase/retention from 2019: 13,177 (11,516 undergraduate students; 1,661* graduate students including 352 master’s, 1,307 doctoral, and 84 certificate)

- **March 2023**
  -Student Enrollments increase/retention from 2019: 12,813 (11,126 undergraduate students; 1,687* graduate students including 402 master’s, 1,295 doctoral, and 84 certificate)
